

Waterloo Mural

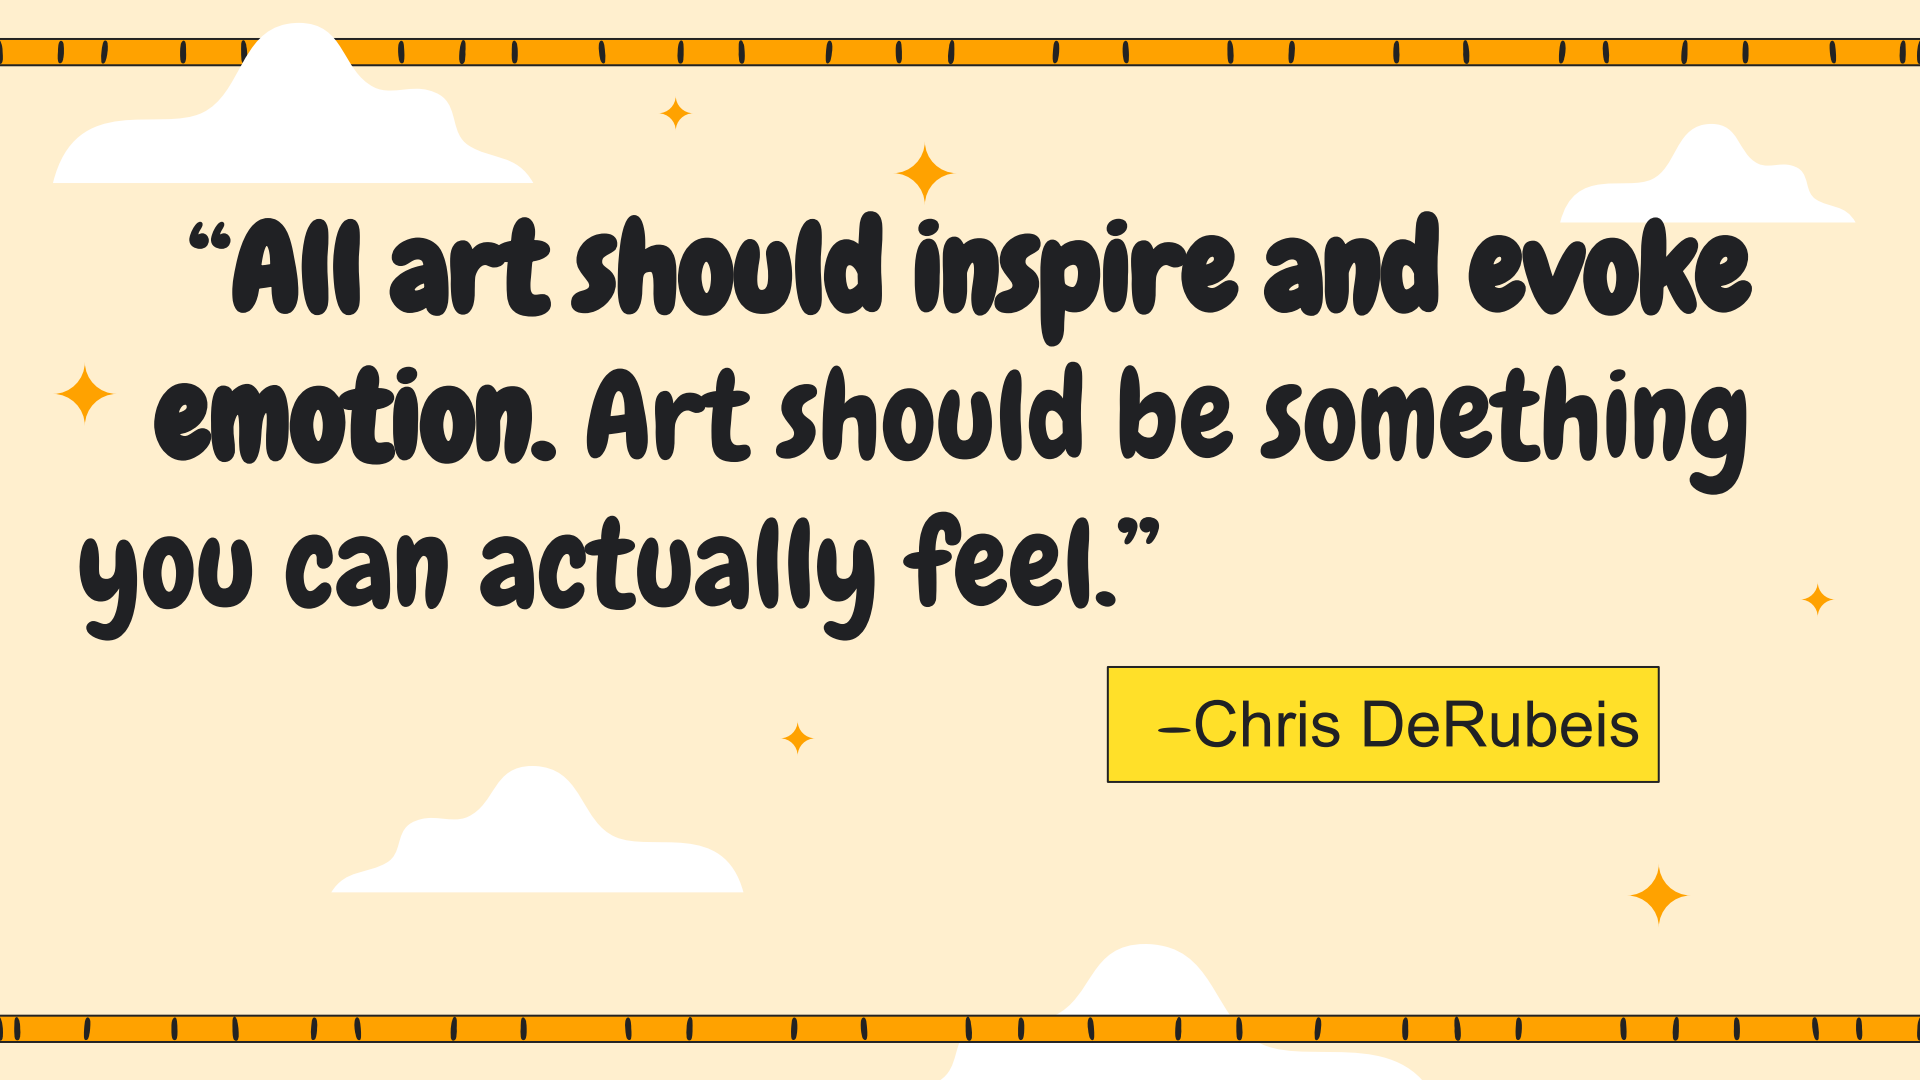

WHY IS IT IMPORTANT?

- To educate the People that use this park where history has been forgotten or never told.
- Showcase the history of the creek we should make a mural.

Stakeholders

- The Park and Recreation department
- City council
- ✦ ● All the chosen Artist

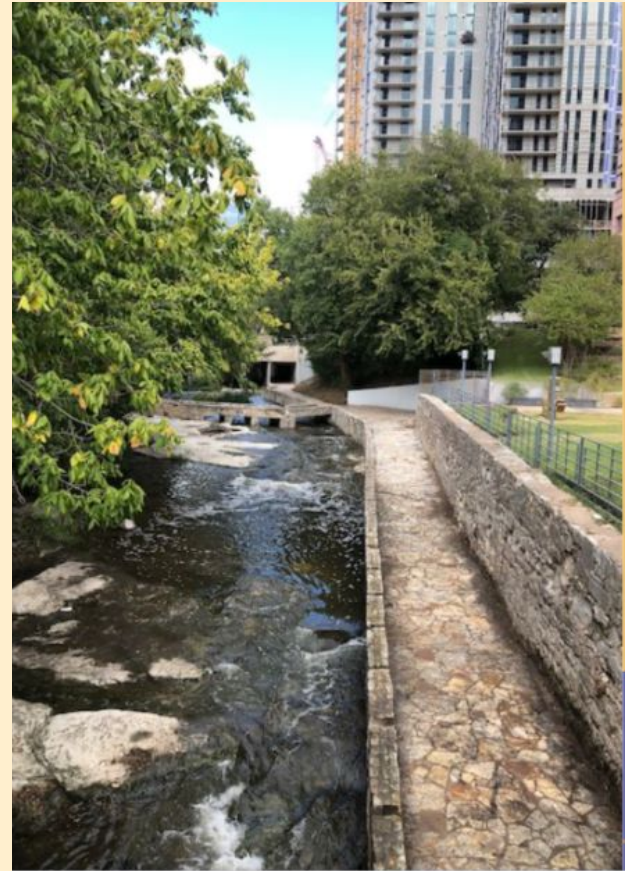

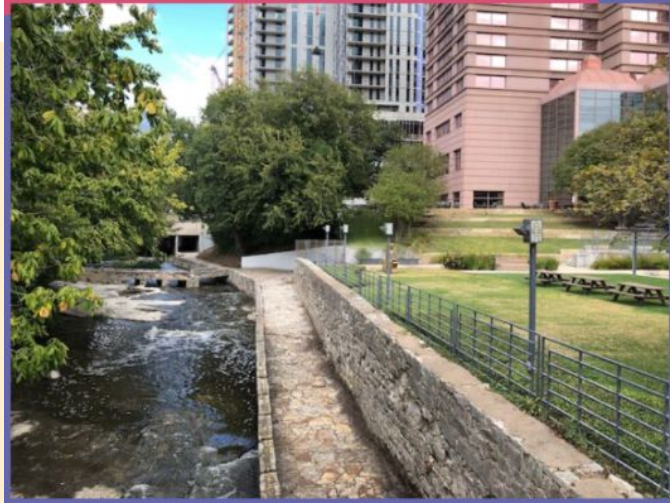

**“All art should inspire and evoke
emotion. Art should be something
you can actually feel.”**

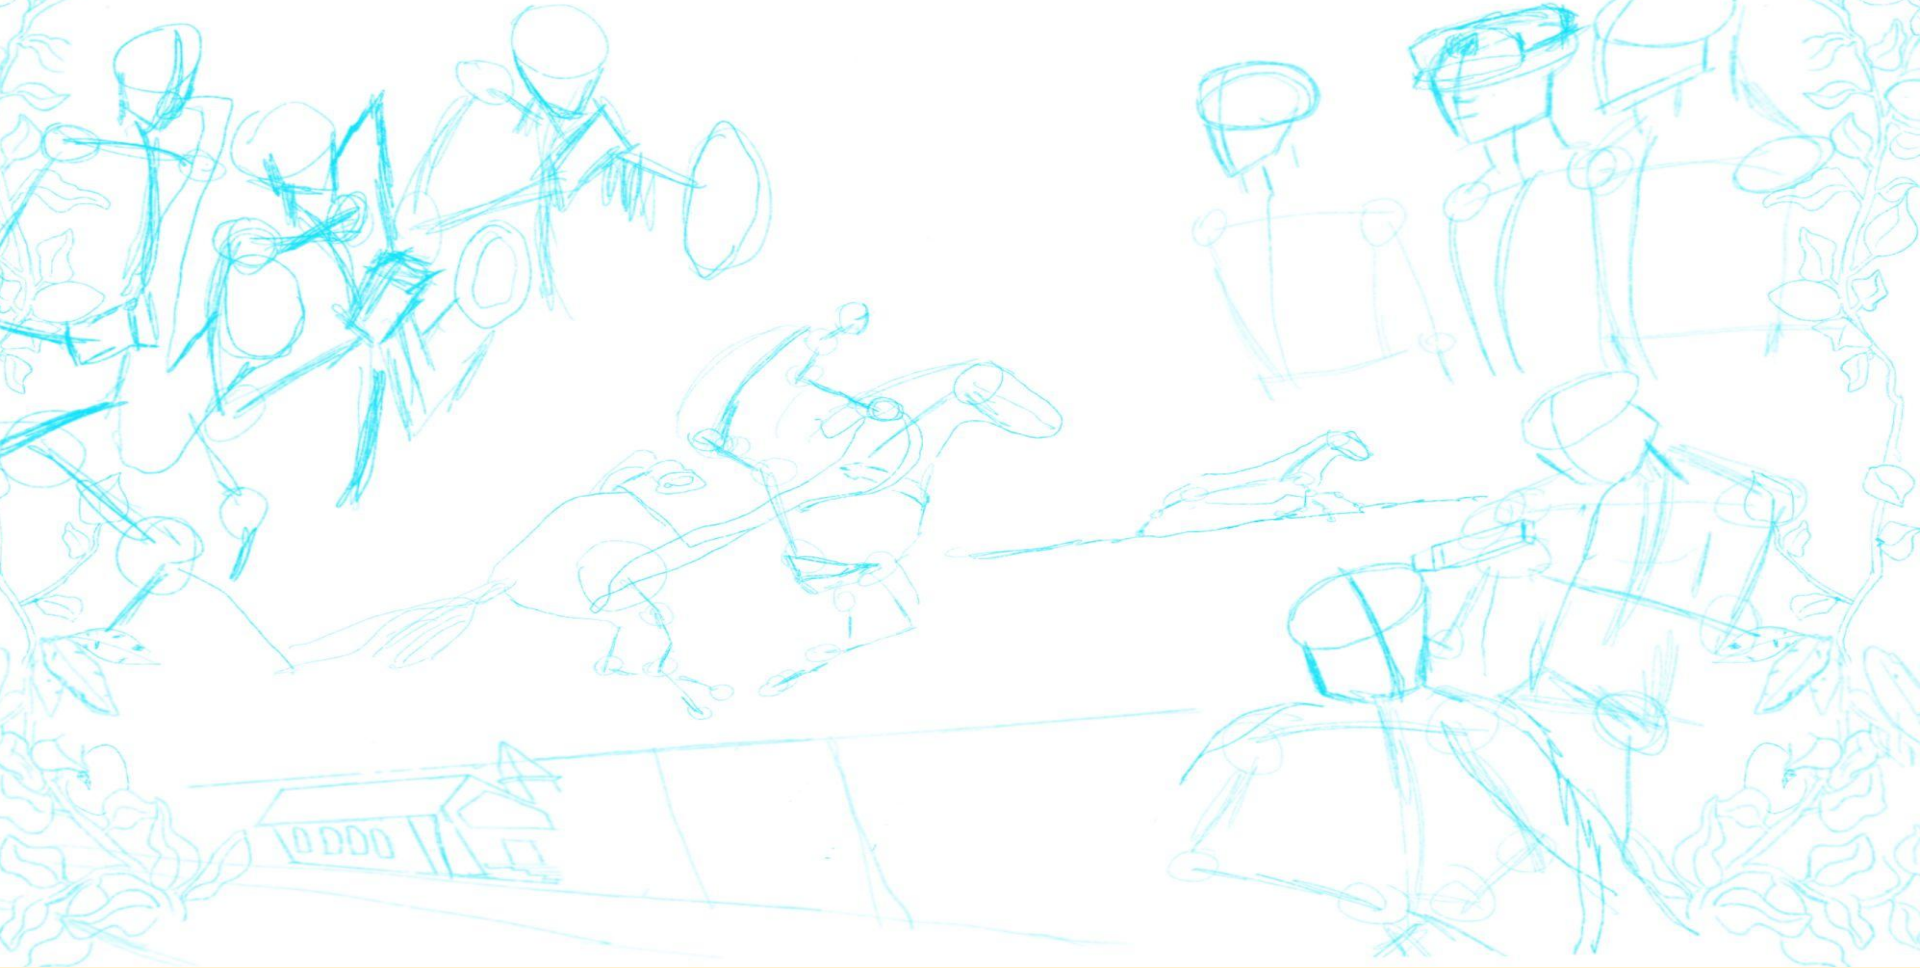

–Chris DeRubeis

IN MEMORY OF THOSE WHO WERE FORCED TO MOVE AND
THE FORGOTTEN

THIS MURAL SHOWCASES IMPORTANT PEOPLE IN
WATERLOO AND THE LIFESTYLE OF THE RESIDENTS THAT
CALLED THIS PLACE HOME

ABOUT THE CELEBRATION

we are doing this celebration to remember the history of waller creek and even though we cant do anything about the natural disaster or the losses people had in the flood we would like to make a mural in representation of everyone who was there before us. The celebration consists of presenting our mural to the city of Austin, making people know about the story of waller creek and we are trying to make certain leaders be remembered in our mural.
