

## Attachment E – Proximity of affordable housing projects that have received Project Connect Anti-Displacement funding to routes

During Council Work Session on 12/6/22, staff was asked to visually show the affordable housing projects to date that are Project-Connect funded in relation to station areas for the various routes.

An interactive version of this map with more detail can be viewed online:

<https://austin.maps.arcgis.com/apps/mapviewer/index.html?webmap=0a49c005d8804db99fd8c5582315effb>.

On the static image below, larger green dots represent properties with Project Connect funding; smaller dark red dots represent Light Rail stations and MetroRapid bus stops. The line colors correspond to the colors for each route.
