Public Hearing: Historic Landmark Commission, Dec. 14, 2022

Hi there,

I am writing in response to a notice I received in the mail- a request for comment on the demolition of the home located at 1804 Brackenridge St.

I would object to the granting of this permit, on the grounds that it will negatively impact our neighborhood and the beautiful trees that make this corner of Austin so special. The building plans, as proposed, would diminish the charm of Travis Heights and risk harming the live oak canopy that protects it.

Thank you for your time,

A.K. Linder
