Commissioners: The Historic Review Committee of the Bryker Woods Neighborhood Association does NOT oppose this project. (By way of information, our Neighborhood Association only votes to “oppose” or “not oppose;” we do not “support.”).. We commend the architect for planning a new, single-story construction which will “fit in” with the style and look of our National Register neighborhood. We wish more architects were aware of our older Central Austin neighborhood when they begin their designs.

Thank you for your consideration and support.
