BRFSS 2015, 2017, 2019, & 2021

Austin Climate Equity Plan (ACEP) Food and Product Consumption: Strategy 2: Promote and fund community-driven food retail programs

Retail:

- Mobile Markets and Curbside Delivery (Farmshare Austin)
- Nutrition education and recipe sampling at Markets (SFC)
- Healthy Corner Store Program (APH + EDD)

Non-Retail outlets:

- Healthy Food Pantries and Pop-ups (Foundation Communities)
- APH Neighborhood Centers Food Programs
- Equidad ATX

Healthy CORNER STORES

Fresh produce and healthy meals –
**now available at a convenience
store near you!**

- ✔ Forgot to buy an item for tonight's dinner recipe?
- ✔ Want to avoid long lines at the grocery store?
- ✔ Missed out on meal planning this week?

For more information visit:

www.austintexas.gov/healthy-corner-stores

ACEP Food and Product Consumption: Strategy 3: Incentivize pro-climate, pro-health food choices

- Double Up Food Bucks (SFC)
 - Farmers Markets, Mobile Markets
- Grocery Expansion of Double Up Food Bucks (SFC)
 - Wheatsville Food Co-op

Additional Strategy: Educate on pro-health food choices

Special Supplemental Nutrition Program for Women, Infants and Children (WIC)

Diabetes Empowerment Education Program

PreventT2 Diabetes Prevention Program

Mayors Health and Fitness Council Worksite Partner Certification Program

Additional Strategy: Building community resiliency

- Social Determinants of Health Screening and Referral through ConnectATX
- Public Health Emergency Preparedness
- Cold Weather Sheltering Operations
- Competition for Social Services Food Access and Distribution programming coming out in February 2022

Thank You!
