RE: C14-2022-0092 – 12408 N. MOPAC EXPY SVRD SB & 2900 O Neal Lane

Dear Ms. Truelove:

As the agent for the applicant in the rezoning of the subject property, I would like to request an indefinite postponement of this case from the December 20th, Zoning and Platting Commission agenda. The purpose of the postponement is to give us time to continue working with Watershed Protection Department Director regarding the site.

Sincerely,

Alice Glasco
