

## **ZONING CHANGE REVIEW SHEET**

CASE: C14-2022-0147 – Linda Vista / Elroy West Industrial Park DISTRICT: 2  
at Moore's Crossing MUD

ZONING FROM: I-RR; I-SF-2

ZONING TO: LI

ADDRESSES: 6807 South FM 973 Road

SITE AREA: 31.89 acres

PROPERTY OWNER: SRMC Investments, LLC  
(Bill Gurasich)

AGENT: Alice Glasco Consulting  
(Alice Glasco)

CASE MANAGER: Wendy Rhoades (512-974-7719, wendy.rhoades@austintexas.gov)

### STAFF RECOMMENDATION:

**The Staff recommendation is to grant limited industrial services (LI) district zoning.**

### PLANNING COMMISSION ACTION / RECOMMENDATION:

**January 10, 2023: *APPROVED LI DISTRICT ZONING AS STAFF RECOMMENDED, BY CONSENT***

***[A. AZHAR; J. THOMPSON – 2<sup>ND</sup>] (11-0) P. HOWARD – ABSENT; ONE VACANCY ON THE DAIS***

### CITY COUNCIL ACTION:

**February 9, 2023:**

### ORDINANCE NUMBER:

### ISSUES:

None at this time.

### CASE MANAGER COMMENTS:

The subject unplatted and unplatted property has access to South FM 973 Road. Linda Vista Drive extends from FM 973 as an east-west driveway through the property and Rowood Drive does not appear to have been constructed. A tributary of Onion Creek flows through the near center of the property in a north-south direction. Linda Vista was a 46-lot subdivision recorded in 1972 and vacated by separate instrument at the Travis County Clerk's office in September 2022. The property has interim – rural residence (I-RR) zoning and interim – single family residence (I-SF-2) district zonings upon annexation into the City's limited purpose jurisdiction in 2010, consistent with the remainder of the Moore's Crossing Municipal Utility District (MUD).

The property is within the Airport Overlay Zones 2 and 3 (AO-2, defined as a portion of the controlled compatible land use area which has a yearly day-night average sound level of at least 65 decibels and not more than 70 decibels; AO-3, is the 1/2 mile Buffer Zone), neither of which allows for residential uses outside of MUDs adopted prior to the 2001 Airport Overlay Zone ordinance.

There is undeveloped land and a tributary of Onion Creek to the north (LI; RR), undeveloped land to the east (IP), and undeveloped land to the south (County). There is a closed landfill across FM 973 to the west (LI). ***Please refer to Exhibits A and A-1 (Zoning Map and Aerial View) and Exhibit B (Total Plat Vacation).***

The Applicant proposes to zone the property to the limited industrial services (LI) district for administrative and business offices.

#### BASIS OF RECOMMENDATION:

*1. The proposed zoning should be consistent with the purpose statement of the district sought.*

The limited industrial services (LI) district designation is for a commercial service use or limited manufacturing use generally located on a medium or large sized site.

*2. Zoning changes should promote an orderly and compatible relationship among land uses. .*

Staff recommends the Applicant's request based on the following considerations: 1) adjacency to industrial zoned property to the west, north and east, and 2) access is taken to FM 973 an arterial roadway.

#### EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	I-RR; I-SF-2	Undeveloped, including a tributary of Onion Creek
<i>North</i>	LI; RR	Undeveloped, including a tributary of Onion Creek
<i>South</i>	County	Undeveloped
<i>East</i>	IP	Undeveloped
<i>West</i>	LI	Closed Landfill

MUNICIPAL UTILITY DISTRICT: Moore's Crossing TIA: Is not required  
(also known as Stoney Ridge)

WATERSHED: Onion Creek – Suburban

CAPITOL VIEW CORRIDOR: No

SCENIC ROADWAY: Yes, FM 973 Road

SCHOOLS:

The subject property is within the Del Valle Independent School District boundaries.

COMMUNITY REGISTRY LIST:

511 – Austin Neighborhoods Council  
774 – Del Valle Independent School District  
1195 – Imperial Neighborhood Association  
1258 – Del Valle Community Coalition  
1530 – Friends of Austin Neighborhoods  
1616 – Neighborhood Empowerment Foundation  
627 – Onion Creek HOA  
1005 – Elroy Preservation Association  
1228 – Sierra Club, Austin Regional Group  
1550 – Homeless Neighborhood Association  
1774 – Austin Lost and Found Pets

AREA CASE HISTORIES:

NUMBER	REQUEST	COMMISSION	CITY COUNCIL
C14-2021-0048 & C14-2021-0049 – Moore’s Crossing Industrial Park, Tracts 1 and 2 - 6300 Elroy Rd and 6213 S FM 973 Rd (Tract 1); 6505 S FM 973 Rd (Tract 2)	I-RR (Tract 1); GR (Tract 2) to LI	To Grant LI	Apvd LI (6-10-2021).
C14-2014-0184 – Austin [re]Manufacturing Hub and Closed FM 812 Landfill – 10108 FM 812 Rd	I-RR (Upon annexation) to LI	To Grant LI	Apvd LI (2-11-2014).
C14-2010-0063 through C14-2010-0066 – Linda Vista A, B, C & D – South FM 973 at Linda Vista Dr	I-RR to LI	Not reviewed by Commission; Case Expired	Not applicable

Department of Aviation – 3600 Presidential Blvd		Guard uses, no public surface parking, RR for the floodplain	
---	--	--	--

#### RELATED CASES:

In January 2010, the Applicant applied to zone the property to the LI district. At the time, Linda Vista Drive and Rowood Drive were public rights-of-ways which resulted in four zoning cases (C14-2010-0063 through C14-2010-0066 – Linda Vista A, B, C & D). The cases were not reviewed by Commission within the prescribed amount of time (181 days after the case has been filed) and subsequently expired. The property was annexed into the limited purpose jurisdiction on February 25, 2010 (C7L-10-002).

Approval of a total plat vacation of Linda Vista subdivision was approved by Planning Commission on June 28, 2022 and the plat vacation instrument was recorded at the Travis County Clerk's office on September 26, 2022 (C8-71-051(VAC)). A total plat vacation returns to property to raw land.

There are no subdivision or site plan cases on the subject tract.

The properties are within the Moore's Crossing Municipal Utility District (MUD) created in 1986 and revised in June 1998. The primary purpose of the Land Plan is to identify the collector street network and public facilities, the latter including sites for City-financed housing, parks, school sites, library and a Fire/EMS station. The properties to the east and south within the MUD are undeveloped.

#### EXISTING STREET CHARACTERISTICS:

Name	ASMP Classification	ASMP Required ROW	Existing ROW	Existing Pavement	Sidewalks	Bicycle Route	Capital Metro (within ¼ mile)
Linda Vista Drive	Level 1	64'	49'	23'	No	N/A	No
South FM 973 Road	Level 4	120'	100'	38'	No	Shared Lane	No
Rowood Drive	Level 1	64'	50'	N/A	No	N/A	No

ADDITIONAL STAFF COMMENTS:Inclusive Planning

**Proposed Use:** Undeveloped to 10,000 square feet of administrative and business offices.

### Drainage

The developer is required to submit a pre- and post-development drainage analysis at the subdivision and site plan stage of the development process. The City's Land Development Code and Drainage Criteria Manual require that the Applicant demonstrate through engineering analysis that the proposed development will have no identifiable adverse impact on surrounding properties.

### Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is in the Onion Creek Watershed of the Colorado River Basin, which is classified as a Suburban Watershed by Chapter 25-8 of the City's Land Development Code. The site is in the Desired Development Zone.

Under current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Gross Site Area</i>	<i>% of Gross Site Area with Transfers</i>
Single-Family (minimum lot size 5750 sq. ft.)	50%	60%
Other Single-Family or Duplex	55%	60%
Multifamily	60%	70%
Commercial	80%	90%

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2-year storm on site.

### Impervious Cover

Within the Onion Creek watershed, the maximum impervious cover allowed by the *LI zoning district* would be 80% (90% with transfers), which is based on the more restrictive zoning regulations.

### PARD – Planning & Design Review

Parkland dedication will be required for the new applicable uses proposed by this development, administrative and business offices with LI zoning, at the time of subdivision or site plan, per City Code § 25-1-601, should such applications be filed after December 31, 2022. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended. Additional requirements for parkland dedication may apply in accordance with the Moore's Crossing Stoney Ridge development agreements. Should fees in-lieu be required, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-607 (B)(1) & (2).

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: [thomas.rowlinson@austintexas.gov](mailto:thomas.rowlinson@austintexas.gov). At the applicant's request, PARD can provide an early determination of whether fees in-lieu of land will be allowed.

### Site Plan and Compatibility Standards

A site plan will be required for any new development other than single-family or duplex residential.

This site may be subject to compatibility standards due to the presence of adjacent RR zoning property to the north. Additional comments may be made when the site plan is submitted.

Any new development is subject to design standards in Subchapter E. *Design Standards and Mixed Use*. Additional comments will be made when the site plan is submitted.

### **Scenic Roadway Sign District Regulations**

Any proposed signs along South FM 973 will need to comply with Scenic Roadway sign regulations in LDC 25-10-124.

### **Airport Overlay**

The site is located within Austin-Bergstrom Airport Overlay AO-2 and AO-3. No use will be allowed that creates electrical interference with navigational signals or radio communications between airport and aircraft, makes it difficult for pilots to distinguish between the airport lights and others, results in glare in the eyes of pilots using the airport, impairs visibility in the vicinity of the airport, creates bird strike hazards or otherwise in any way endangers or interferes with the landing, taking off, or maneuvering of aircraft intending to use the Austin-Bergstrom Airport. Height limitations and incompatible uses with each Airport Overlay zone are established in the Airport Overlay Ordinance. *For the site plan*, Airport Hazard Zoning Committee review may be required prior to the Planning Commission hearing. Additional comments may be generated during the site plan review process.

### **Hazardous Pipeline Ordinance**

Due to the presence of a hazardous pipeline in the rear of the site, this site is subject to the Hazardous Pipeline Ordinance. Development in a restricted pipeline area is regulated by Sec. 25-2-516. Review by the Fire Department will be required for any proposed development. Before a person may place a road, surface parking lot, or utility line in a restricted pipeline area, the person must deliver to the Director a certification by a registered engineer stating that the proposed construction activity and structure are designed to prevent disturbing the pipeline or impeding its operation.

### Austin Transportation Department – Engineering Review

Assessment of required transportation mitigation, including the potential dedication of right of way and easements and participation in roadway and other multi-modal improvements, will occur at the time of site plan application. **Transportation assessment/traffic impact analysis and transportation demand management plan shall** be required at the time of site plan if triggered per **LDC 25-6 and TCM 10.2.1**.

The Austin Strategic Mobility Plan (ASMP) calls for 120 feet of right-of-way for S FM 973 Road. It is recommended that 60 feet of right-of-way from the existing centerline should be dedicated for S FM 973 Road according to the Transportation Plan with the first subdivision or site plan application [LDC 25-6-51 and 25-6-55].

### Water and Wastewater

The landowner intends to serve the site with City of Austin water and wastewater utilities. The landowner, at own expense, will be responsible for providing any water and wastewater utility improvements, offsite main extensions, utility relocations and or abandonments required by the land use. The water and wastewater utility plan must be reviewed and approved by Austin Water for compliance with City criteria and suitability for operation and maintenance.

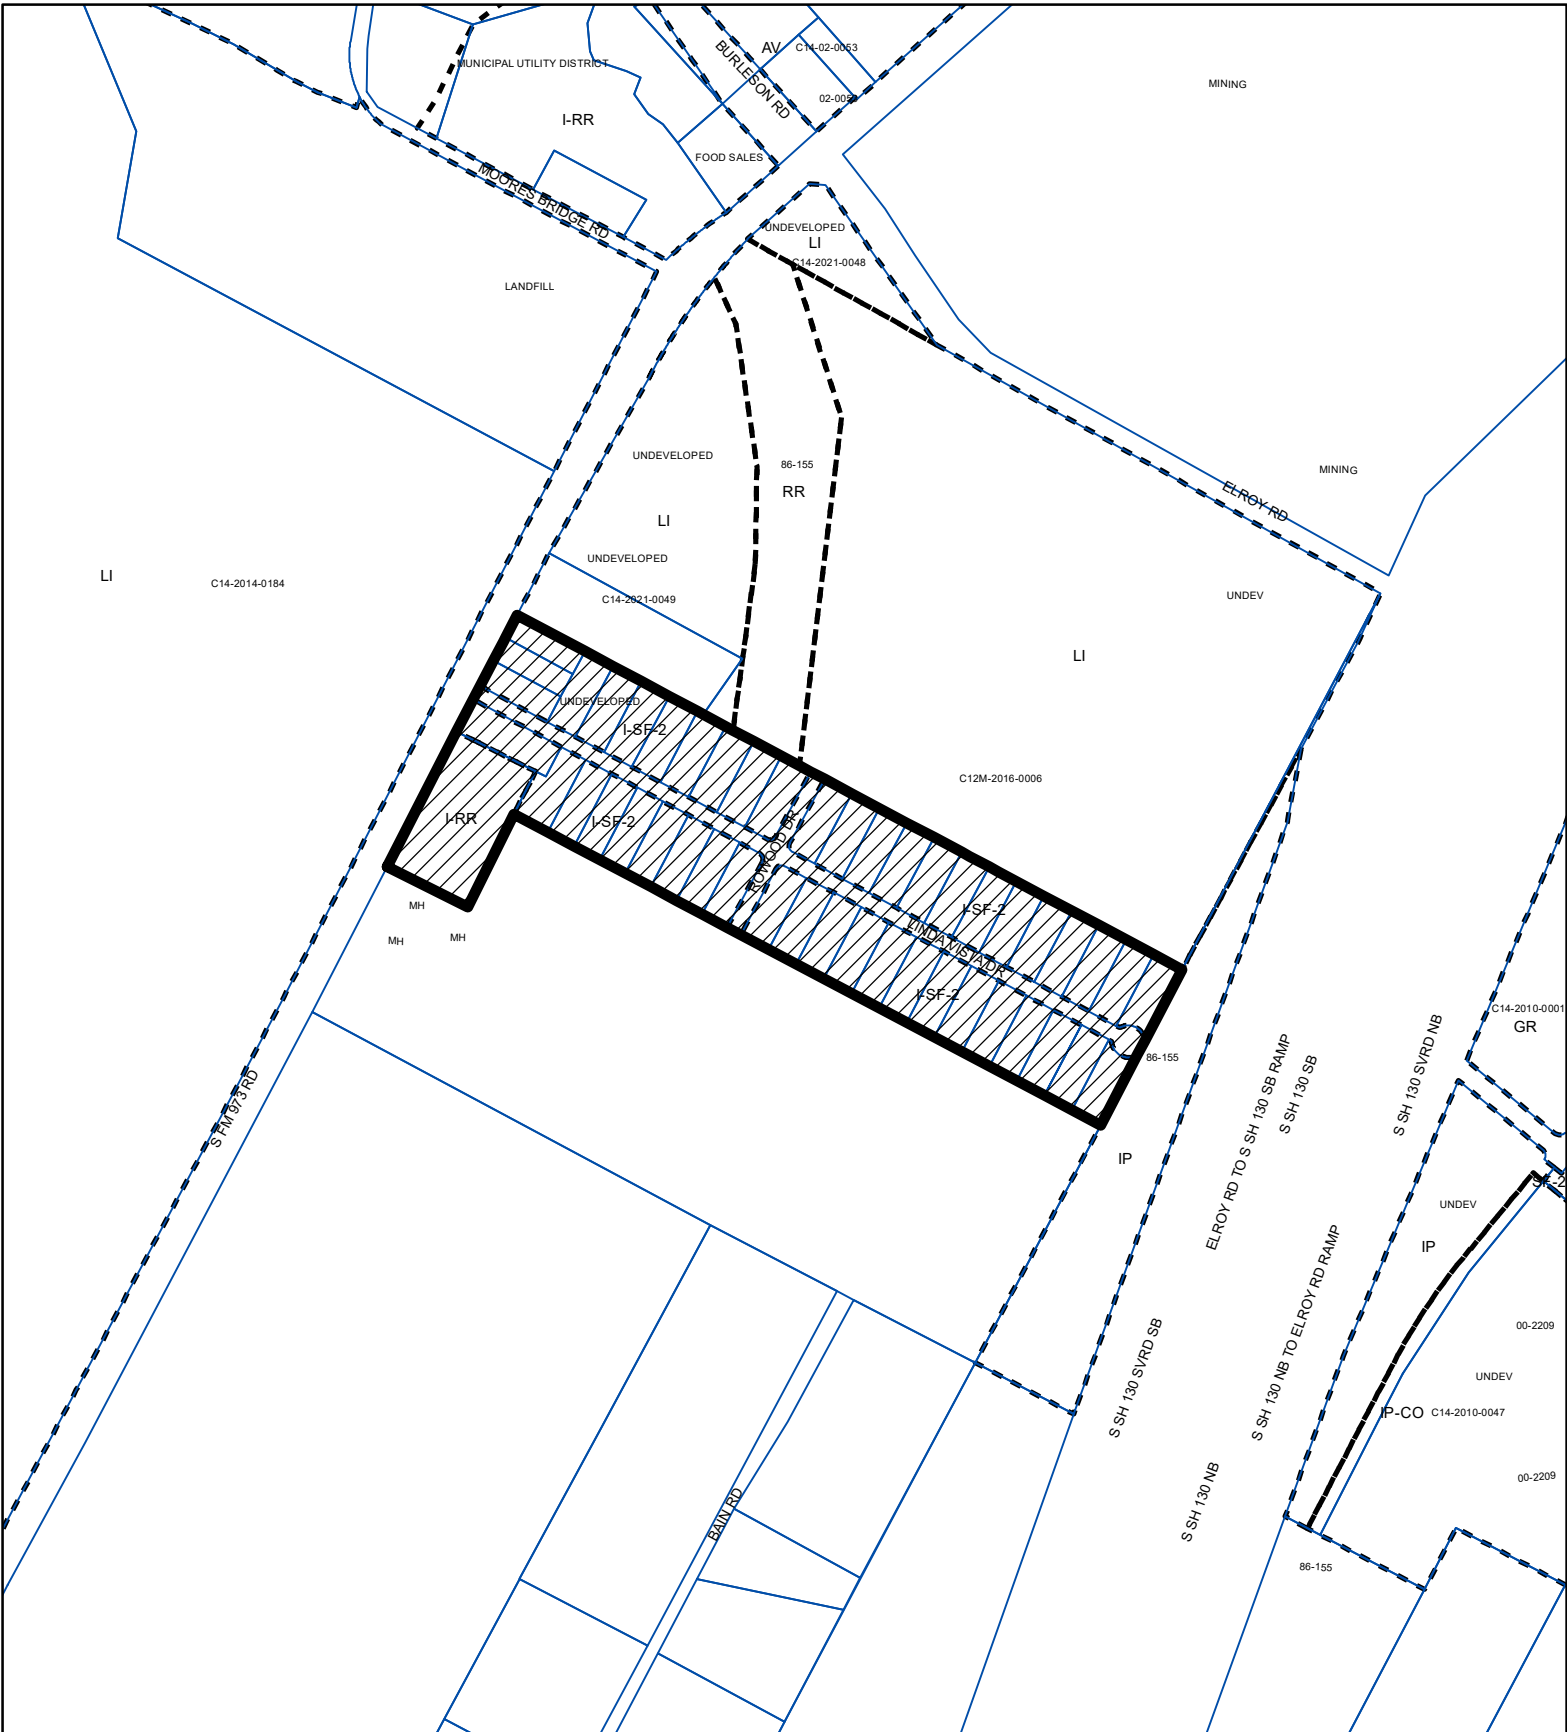

Depending on the development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.
