We are still in city hall chambers. Now I hope my colleagues don't get too excited about leaving because we are now calling into session the special called meeting. February 9th special called meeting we're going to be taking up an item in executive session. The city council will now go into closed session to take up one item pursuant to sections 551 dot oh, 71 and 551.74 of the government code. The city council will discuss legal issues and personal matters related to item number one evaluate the terms and conditions of the city manager's employment with the city of Austin. Is there any objection to going into executive session on the item announced hearing none. Is that? Objection I don't object. I just want to clarify that we will likely be. We have to figure it

out, but we would likely be moving the audit and finance meeting to a different day or or canceling it. The morning one. Thank you. That is great hearing no objection to that the council will now go into executive session. It will be virtual will be doing executive session via webex. I will just announce for folks watching there will be there will not be public discussion happening afterward. We are only posted for executive session. I will come out alone to adjourn the meeting. We're finished. Thank you all.
