District(s): District 4

### **Items Associated with Public Hearings**

51. Consider a resolution related to the allocation of housing tax credits and private activity bonds and the application by Cairn Point at Cameron, LP, or an affiliated entity, for a proposed development to be located at or near 7205 Cameron Road, Austin, Texas 78752, and financed through the private activity bond program. Related to Item #50.

Strategic Outcome(s): Economic Opportunity and Affordability.

### **12:00 PM - Public Communication: General**

Eliza Allen - Austin Energy needs to trim all trees within 5 feet on either side of every power line. If we grant an easement to the city and are not permitted to build on it. The city needs to care for the land on which an easement is granted.

Adam Cahn - What function does city government serve?!?

Paul Robbins - City and Budget Issues.

belinda boone - The services & lack of services, the wasted monies for phone calls over the storm, solutions or --- sold to city and more. Our experiences over the last year and years during outages simple or complex

there needs to be a full overhaul, intervention.....as a retired Org. Dev. Professional, someone has either sold piecemeal solutions or worse.....? Please hear me out. my mother is now in hospital.....90 yr old....as we were ignored.....Ours was clear from the beginning but no one would listen NOR read our report calls....

Cynthia Ikard - Longstanding problem with a significantly hazardous sidewalk caused by tree roots uplifting the sidewalk panels. The City's Sidewalk Division agreed to pursue a permanent fix of taking the tree out and installing a concrete ADA compliant sidewalk. The Sidewalk Division applied for a permit to remove the tree. I was notified by them on June 21, 2022 that the permit was approved. The Urban Forestry Team is ready to remove the tree, but the Sidewalk Division is now saying it cannot schedule a concrete repair. They are proposing a less desirable, stopgap measure which will likely result in more problems later on. This alternative is not acceptable to me or my neighbors. I would like the City Council to instruct the Sidewalk Division to schedule a concrete repair within the next 3 months so the permanent fix can be made, and the problem can finally be resolved for good.

Bryan Crow - Lack of Police Oversight and Accountability. Inaction in the face of irrefutable evidence of breach of protocol is an implicit endorsement of the idea that Police are above the law. The city council and the city manager are the only people who can hold APD accountable. I'm here to simply ask that you do your jobs.
