Additional Backup Information:

For the City to spend money today but reimburse itself from the issuance of debt obligations in the future, a reimbursement resolution is required by state and federal law. The resolution must contain certain information and is generally reviewed by bond counsel to protect the tax-exempt status of the future issuance. The resolution must be approved by Council not more than 60 days after the date that the cost to be reimbursed is paid. Failure to adopt a qualified declaration of official intent will prohibit the City from reimbursing the cost with the proceeds of tax-exempt obligations. Tax exempt reimbursement debt generally must be issued 18 months after the later of, the date the expenditure was made, or the date that the project, with respect to which the expenditure was made, is placed in service.

This action expresses the Council's intent to authorize the reimbursement for costs associated with Fiscal Year 2022-2023 Capital Budget items for general obligation debt, as described below:

General Obligation Certificates of Obligation - \$20,000,000 for the Town Lake Center facility renovations

Strategic Outcome(s):

Government that Works for All.
