

ZONING CHANGE REVIEW SHEET

CASE: C14-2022-0173 (Stillhouse II Building 4)

DISTRICT: 10

ADDRESS: 4601 Spicewood Spring Road, Building #4

ZONING FROM: GO-CO

TO: GO-CO*

*The applicant is requesting a rezoning from GO-CO to GO-CO to remove Guidance Services as a prohibited use in Ordinance No. 040422-45.

SITE AREA: 7,400 sq. ft.

PROPERTY OWNER: The Muskin Company (Alan and Ellen Muskin)

AGENT: Hector Avila

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMEDATION:

Staff recommends GO-CO, General Office-Conditional Overlay Combining District, zoning. The conditional overlay will maintain the following uses from the current ordinance: Art workshop, Business or trade school, Business support services, Club or lodge, College or university facilities, Communications services, Community recreation (private), Community recreation (public), Convalescent services, Cultural services, Hospital services (general), Hospital services (limited), Medical offices (exceeding 5000 sq. ft.), Off-site accessory parking, Personal services, Private secondary educational facilities, Residential treatment and Restaurant (limited).

CASE MANAGER COMMENTS:

The property in question is a suite within an existing office complex. To the north across Spicewood Springs Road, there is a Pet Services use (Spicewood Springs Animal Hospital) zoned GO and office buildings zoned LO and NO. The tract of land to the south is zoned PUD and is developed with residential condominiums. To the east and west there are office uses that are zoned GO-CO, LO and LO-CO. The applicant is requesting a rezoning from GO-CO to GO-CO to change the current conditional overlay to remove Guidance Services as a prohibited use in Ordinance No. 040422-45.

The staff recommends the applicant's request to change the zoning ordinance for this property to remove Guidance Services as a prohibited use. The property still meets the intent of the General Office District as provides for office, civic and select commercial uses that predominately serve community and city-wide needs. The applicant's request is consistent with current city policy regarding the prohibition of the Guidance Services use. The Law Department has informed the staff that we can no longer prohibit the following uses based on city ordinance or state and federal statues: Congregate Living, Family Home, Group Home (of all types), Guidance Services, Local Utility Services, Religious Assembly, Residential Treatment, Telecommunication Towers and Transitional Housing.

The applicant agrees with the staff's recommendation.

BASIS OF RECOMMENDATION:

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

General Office district is intended for offices and selected commercial uses predominately serving community and city-wide needs.

Conditional Overlay combining district may be applied in combination with any base district. The district is intended to provide flexible and adaptable use or site development regulations by requiring standards tailored to individual properties.

2. *The proposed zoning should promote consistency and orderly planning.*

The proposed GO-CO zoning is consistent with the surrounding land use patterns as there are office uses and zoning to the north, east and west under the site under consideration.

3. *Zoning should allow for reasonable use of the property.*

This request to rezone this property from GO-CO zoning to GO-CO zoning to change the existing conditional overlay will permit the Guidance Services use on the property.

This recommendation is consistent with the City of Austin Law Department's determination that the city can no longer prohibit this use based on state and federal statutes or legal determinations.

Environmental

The site is located over the Edwards Aquifer Recharge Zone. The site is in the Bull Creek Watershed of the Colorado River Basin, which is classified as a Water Supply Suburban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Drinking Water Protection Zone.

Under the current watershed regulations, development or redevelopment on this site will be subject to the following impervious cover limits:

<i>Development Classification</i>	<i>% of Net Site Area</i>	<i>% NSA with Transfers</i>
One or Two Family Residential	30%	40%
Multifamily Residential	40%	55%
Commercial	40%	55%

Development within a Water Quality Transition Zone is limited to 18%.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

Under current watershed regulations, development or redevelopment requires water quality control with increased capture volume and control of the 2 year storm on site.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.
