Council Meeting 2/23/2023

Item 44: I-35 Capital Express IFC

Motion Sheet

I move to amend lines 99-103 as follows:

“4. Encourage TxDOT, the Austin Transportation Department, and other City departments to continue to collaborate and prioritize reducing the environmental, traffic, and safety impacts of United States Interstate Highway 35, especially the frontage roads. Frontage roads and east-west crossings should prioritize service to the local street network and should have speed limits no higher than the adjacent local street network.”
