

ZONING CHANGE REVIEW SHEET

CASE: C14-2022-0171 (7960 Shoal Creek Rezoning) DISTRICT: 7

ADDRESS: 7960 Shoal Creek Boulevard

ZONING FROM: LO

TO: LR

SITE AREA: 0.4219 acres (19,375 sq. ft.)

PROPERTY OWNER: 5205 ACQUISITIONS, LLC (Manny Farahani)

AGENT: Permit Partners, LLC (Tisha Ritta)

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMEDATION:

Staff recommends LR, Neighborhood Commercial District, zoning.

PLANNING COMMISSION ACTION / RECOMMENDATION:

February 28, 2023

CITY COUNCIL ACTION:

ORDINANCE NUMBER:

During the Burnet Road, Anderson Lane and the North Shoal Creek Area neighborhood planning process, the long-range planning staff did not add the –NP combining district to the end of the zoning string for the properties in the planning area. Therefore, the rezoning request does not require the “NP” annotation.

CASE MANAGER COMMENTS:

The property in question is a 0.4219 acre lot that is currently developed with a one-story dentist office, with a surface parking area. The area to the north and west is zoned LO, LR and LI and contains a retail store (Lowe’s Home Improvement). To the south, there is a vet clinic (Capital Area Veterinary Specialists) and a medical office (Child Neurology Consultants of Austin) zoned LR. Across Shoal Creek Boulevard to the east there are GR zoned lots that are developed with a financial services use (PNC Bank) and a professional office (Austin Gastroenterology). The applicant is requesting to rezone this site to LR to repurpose the existing structure with a Pet Services use.

The staff recommends Neighborhood Commercial District zoning. The site under consideration meets the intent of the LR district as it is located on a Level 3/minor arterial roadway in an area that provides services to the existing residential developments to the south and east. The proposed zoning is consistent with the LR zoning to the north and south and there are office and commercial uses adjacent to this lot fronting Shoal Creek Boulevard. In addition, the property is located within the Anderson Lane Neighborhood Center as described on the Growth Concept Map in the Imagine Austin Comprehensive Plan.

The applicant agrees with the staff’s recommendation.

BASIS OF RECOMMENDATION:

1. *The proposed zoning should be consistent with the purpose statement of the district sought.*

Neighborhood Commercial district is intended for neighborhood shopping facilities which provide limited business service and office facilities predominately for the convenience of residents of the neighborhood.

2. *The proposed zoning should promote consistency and orderly planning.*

The proposed zoning is consistent with the LR zoning to the north and south. There are office and commercial uses adjacent to this lot fronting Shoal Creek Boulevard, a Level 3/Minor Arterial roadway. The Future Land Use Map for the North Shoal Creek Neighborhood Plan designates area as a Mixed Use Activity Corridor/Hub.

3. *The proposed zoning should allow for a reasonable use of the property.*

The proposed Neighborhood Commercial zoning will permit the applicant to develop additional office and commercial uses in this area that will provide services to the surrounding residential neighborhoods.

EXISTING ZONING AND LAND USES:

	ZONING	LAND USES
<i>Site</i>	LO	Office Building
<i>North</i>	LO, LR	Retail Sales (Lowe's Home Improvement)
<i>South</i>	LR	Pet Services (Capital Area Veterinary Specialists), Medical Office (Child Neurology Consultants of Austin)
<i>East</i>	GR	Financial Services (PNC Bank), Professional Office (Austin Gastroenterology)
<i>West</i>	LI	Retail Sales (Lowe's Home Improvement)

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the Shoal Creek Watershed of the Colorado River Basin, which is classified as an Urban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Zoning district impervious cover limits apply in the Urban Watershed classification.

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

This site is required to provide on-site water quality controls (or payment in lieu of) for all development and/or redevelopment when 8,000 sq. ft. cumulative is exceeded, and on site control for the two-year storm.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

Fire

No comments.

Parks and Recreation

Parkland dedication fees may apply to any future site or subdivision applications resulting from this rezoning, LO to LR for pet services. As of January 1, 2023, new commercial uses are subject to parkland dedication requirements at the time of site plan and subdivision.

Site Plan

A site plan will be required for any new development other than single-family, two-family or duplex residential. A change of use will require a site plan exemption.

Any new development is subject to the design standards in Subchapter E of the Land Development Code.

Transportation

The Austin Strategic Mobility Plan (ASMP) calls for 116 feet of right-of-way for Shoal Creek Boulevard. It is recommended that 58 feet of right-of-way from the centerline should be dedicated according to the Transportation Plan with the first subdivision or site plan application. [LDC 25-6-51 and 25-6-55].

Water Utility

No comments on zoning change.

FYI: The landowner intends to serve the site with existing City of Austin water utilities and an On-Site Sewage Facility previously permitted.

Based on current public infrastructure configurations, it appears that service extension requests (SER) will be required to provide service to this lot. For more information pertaining to the Service Extension Request process and submittal requirements contact the Austin Water SER team at ser@austintexas.gov.

The landowner must pay the City inspection fee with the utility construction. The landowner must pay the tap and impact fee once the landowner makes an application for a City of Austin water and wastewater utility tap permit.
