To the Austin Historic Landmark Commission:

I am concerned about the continuing wave of proposed demolitions proposed for the Travis Heights and Fairview Park areas, including the latest round: 512 East Monroe, 1315 Newning, 1317 Newning, and 1804 Brackenridge.

I urge the Historic Commission to look at each of these proposals very carefully individually, examining their stated reasons and vetting their arguments against preservation. Moreover, I ask that the Commission look at this set of demolition proposals as a group and a trend. This pattern is quickly eroding the historic heritage and affordable housing in our neighborhood.

I oppose each proposed demolition, and ask that you register my opposition in the record.

Thanks for considering my views.
