Historic Landmark Commission,

As a resident of a 1915 contributing building to the Fairview Park National Register Historic District, I oppose any new demolition permits for contributing houses without adequate rationale for renovation.

**512 E. Monroe Street** – Travis Heights – Fairview Park National Register District – Demolish a contributing house and build new construction

**1315 & 1317 Newning Avenue** - Travis Heights – Fairview Park National Register District – Demolish a contributing building and build new construction 11

**1804 Brackenridge Street** – Travis Heights-Fairview Park National Register District – Demolish a contributing house and build new construction

Thank you for your consideration,

Wendy Price Todd
