Esteemed Historic Landmark Commission:

My name is Kristin Byars, and Mary is my sister-in-law. I am writing to ask you to support her partial demolition case, Item #21 on the March 1 agenda, the permit numbers are PR-2023-005113 and GF-2023-013758. This application is also supported by staff - to allow her and her boyfriend to expand their house. They have worked really hard with their architect to design a project that I think is in keeping with the existing architectural style of the house, and I think will be a very nice addition to the neighborhood. Please support the staff's recommendation to approve this application. Thank you.
