A team of divers, scientists, and photographers recorded more than 500 hours of underwater footage for this amazing film, hoping to discover why corals are vanishing at an unprecedented rate.

Adults - \$25 until March 1st. After March 1st the price will be \$30 for adults

Youth (17 and under) - \$15

Family (group of 4) - \$75

Proceeds will fund donations to:

- GoFundMe for outstanding medical and funeral expenses for longtime environmental activist Jack Goodman,
- City of Austin Homeless Student Fund,
- City of Austin Parks/Libraries Fund, and
- Replacement of Bull Creek Watershed sign on RM 2222 at McNeil Drive.
