

Motion Sheet

I move to amend item 26, beginning on line 25:

The City Manager is hereby directed to review the feasibility of restarting the Austin Police Department's ~~Citizen~~ Community Police Academy as soon as practicable, including:

- Recommendations for how the program's application and screening can be made accessible to a broad and diverse cross-section of the community;
- Recommendations for how the curriculum can be developed, maintained, and delivered in a way that provides opportunities for, and respects, a diversity of opinions regarding police practices and City policy;
- The feasibility of providing college credit or certification hours to individuals who successfully complete the ~~Citizen~~ Community Police Academy, and
- Safeguards to prevent political activity such as lobbying or organizing using this publicly funded program and its membership or alumni.

The City Manager is directed to report findings back to the Council by May 22, 2023.
