

## MEMORANDUM

**TO:** Mayor and Council Members

**THROUGH:** Veronica Briseño, Assistant City Manager

**FROM:** Rebecca Kennedy, Interim Human Resources Director *RK*

**DATE:** March 10, 2023

**SUBJECT:** Electric Vehicle Adoption by City Employees (Resolution No. 20210930-106)

---

The purpose of this memorandum is to update the [response](#) provided in March 2022 and to [Resolution No. 20210930-106](#) regarding encouraging City employees to switch to electric vehicles (EV).

Since 2021, HRD has engaged 3rd party vendors to offer discounts to City employees on electric vehicles. Vendors were identified to provide these discounts. One vendor stated they currently did not yet have inventory available to provide discounts to a workforce the size of the City of Austin. HRD will collaborate with providers on how to add employee discounts to the City's employee discount website at such time as the providers are ready. The website offers City employees discounts and special offers from local and national vendors. When discounts are added to the website, HRD will promote the website through employee communication channels.

With this additional information, this completes the staff response to Resolution No. 20210930-106.
