Boards and Commissions Participation

MEMORANDUM

TO: Boards and Commissions

FROM: Kerri Lang, FSD - Budget Officer *Kerri Lang*

DATE: January 17, 2023

SUBJECT: FY 2023-24 Budget Process and Calendar

The City remains committed to an inclusive annual budget process. Resident and stakeholder feedback, including the various boards and commissions recommendations, guide City leadership during budget deliberations. The FY 2022-23 budget included recommended investments to conduct Quality of Life studies, expand immigrant legal services, and establish a Trauma Recovery Center. Focused, strategic, one-time investments were made in FY 2022-23 to maintain a balanced financial forecast. It remains crucial to focus recommendations and to provide feedback on the efficiency, equity, and effectiveness of the City's existing services and programs in light of the anticipated financial constraints of the 3.5% tax revenue cap.

The Financial Services Department's Budget and Performance Division will continue to coordinate with City departments to review recommendations passed by boards and commissions. We are requesting that staff or commission liaisons email approved recommendations to BudgetQA@austintexas.gov. The deadline for submitting recommendations is March 31, 2023, allowing staff the necessary time to review the recommendations.

To ensure the recommendations are voted and approved by the full commission, please post the approved recommendation to the respective board and commission website, under meeting documents.
