Re: Case# HR-2023-014850

I see there is a demolition request for this house in the Historic District.
I OBJECT to this demolition & replacement with a huge & incompatible structure. This is a neighborhood of small homes under attack by investors with no connection or understanding of the history of this area. Plus the streets are very narrow & infrastructure inadequate for more large & elaborate structures.

I hope to continue to be advised as to when these demolitions are requested.

Sincerely,

Donna Morrow
