

MEMORANDUM

TO: Mayor and Council Members *Richard Mendoza*

FROM: Richard Mendoza, P.E., Interim Director, Transportation and Public Works Department

THROUGH: Robert Goode, Interim Assistant City Manager *RDG*

DATE: April 18, 2023

SUBJECT: April 20, 2023 – Item 27

Transportation and Public Works Department (TPW) staff will be withdrawing Item 27 from the April 20, 2023, Council agenda.

Over the last two years TPW has been developing updated sidewalk, urban trails, and bicycle plans through an effort called ATX Walk Bike Roll. These three plans will guide how Austin builds urban trails, sidewalks, crossings, and bike lanes. In January 2023, draft plans were released for public comment in advance of going through the Council adoption process. The plans will be adopted as attachments to the Austin Strategic Mobility Plan (ASMP), amending the Imagine Austin Comprehensive Plan.

Per City Charter, amendments to the Imagine Austin Comprehensive Plan are required to be heard by the Planning Commission before a public hearing can be held at City Council. The Planning Commission was scheduled to take action on the plans and amendments to the ASMP on April 25, 2023. The action has been postponed to a special called meeting on May 30, 2023. Due to the postponement, the public hearing at Council will need to be rescheduled to a later date that is not yet determined.
