Additional Backup Information:

Acadian Ambulance Service has held a franchise with the City of Austin since October, 2007. On June 1, 2022, Austin-Travis County EMS (ATCEMS) received an application from Acadian Ambulance Service of Texas LLC, requesting a renewal of the franchise for another five-year term. All the required application elements have been submitted and the application fee has been paid in full. Staff analysis of Acadian franchise application has been completed. The analysis included a review of the applicant's operations, and performance from other operations within the state of Texas. The department recommends approving the application.

In order for a private ambulance company to provide non-emergency transfer services within the limits of the City of Austin, the provider must hold a franchise from the City. The purpose of this RCA is to request that Council set a public hearing for Thursday, May 18, 2023, regarding a non-emergency transfer application. Non

-emergency transfers typically occur between skilled nursing facilities, hospitals, and private residences and are usually prescheduled by medical personnel. Currently, four companies hold such franchises, Acadian Ambulance Service, Inc. (Acadian), American Medical Response of Texas Inc. (AMR), Allegiance Ambulance and City Ambulance.
