

ZONING CHANGE REVIEW SHEET

CASE: C14-2022-0177 (707 West 10th Street)

DISTRICT: 9

ADDRESS: 707 West 10th Street

ZONING FROM: GO

TO: DMU-CO**

*The applicant is proposing a conditional overlay to limit the maximum height to 60 feet on the property.

**On March 27, 2023 the applicant amended their rezoning request (*please see Exhibit F*) to add the following conditions to the proposed conditional overlay as agreed to with the neighborhood:

1. The following uses shall be prohibited uses on the Property:

- Bail bond services
- Pawn shop
- Liquor sales
- Outdoor entertainment
- Off-site accessory parking

2. Limit Cocktail Lounge use to a maximum of 1,000 square feet.

SITE AREA: 0.232 acres

PROPERTY OWNER: 707 West 10th Street Owner LLC

AGENT: Drenner Group (Amanda Swor)

CASE MANAGER: Sherri Sirwaitis (512-974-3057, sherri.sirwaitis@austintexas.gov)

STAFF RECOMMEDATION:

Staff recommends DMU-CO, Downtown Mixed Use-Conditional Overlay Combining District, zoning. The conditional overlay will limit the height on the property to a maximum of 60 feet.

PLANNING COMMISSION ACTION / RECOMMENDATION:

March 28, 2023: Approved the applicant's amended request for DMU-CO zoning by consent including the following conditions:

1. The following uses shall be prohibited uses on the Property:

- Bail bond services
- Pawn shop
- Liquor sales
- Outdoor entertainment
- Off-site accessory parking

2. Limit Cocktail Lounge use to a maximum of 1,000 square feet.

3. The maximum height for the Property shall be 60 feet.

Vote: (13-0); J. Thompson-1st, C. Hempel-2nd.

CITY COUNCIL ACTION:

May 4, 2023

ORDINANCE NUMBER:

ISSUES: N/A

CASE MANAGER COMMENTS:

The lot under consideration is developed with a professional office use with associated paved parking area. There are office uses and GO and LO zoning surrounding the property to the north, south, east and west. In this application, the applicant is requesting DMU-CO zoning, with a conditional overlay to limit the height on property to a maximum of 60 feet, to allow for the adaptive reuse of the existing structure and to allow hotel and residential uses. (*please see Applicant's Request Letter – Exhibit C*). The property is located within the Northwest District in the Downtown Area Plan in an area that is ineligible for participation in the Downtown Density Bonus Program.

The staff recommends DMU-CO, Downtown Mixed Use-Conditional Overlay Combining district, zoning. The proposed zoning is compatible and consistent with surrounding land uses and zoning patterns in this area as there is DMU-CO zoning to the north, southwest and west. The Downtown Area Plan calls for DMU 60 for these tracts (*please see attached Exhibit D- Downtown Austin Plan Exhibits*).

The applicant agrees with the staff's recommendation.

BASIS OF RECOMMENDATION:

1. The proposed zoning should be consistent with the purpose statement of the district sought.

Downtown Mixed Use district is intended for areas on the periphery of CBD classifications in the central core area, permitting a variety of uses compatible with downtown Austin and allowing intermediate densities as a transition from the commercial core to surrounding districts. Site development regulations are intended to permit combinations of office, retail, commercial, and residential uses within a single development.

2. *The proposed zoning should promote consistency and orderly planning.*

The proposed DMU zoning would be consistent with the DMU-CO zoning and DMU-H zoning located further to the north, south, east and west of this site. There is a developing mixed-use complex to the northwest on W. 12th Street and office uses surrounding this site to the north, south, east and west. Across W. 9th Street to the south along West Avenue, there are low density commercial/personal services uses. The Austin Community College Rio Grande Campus is located three blocks to the north (in the DMU-H-CO zoned area), across West 12th Street. There are amenities in this area with a neighborhood park (Duncan Neighborhood Park) one block to the west and a BMX Park (9th Street BMX Park) to the southwest.

The site under consideration is located at the intersection of two level 3, minor arterial roadways and there is access to public transit with a Capital Metro bus route (5) to the

west on N. Lamar Boulevard and a Metro Rapid bus route (990) along Guadalupe Street to the east.

This property is within the Northwest District in the Downtown Area Plan. The Downtown Area Plan calls for DMU 60 zoning for these tracts.

3. The proposed zoning should allow for a reasonable use of the property.

The proposed DMU-CO zoning would permit the applicant to redevelop the property with residential and other supporting uses that would be consistent with the residential, civic, office and low density commercial uses in this area.

OTHER STAFF COMMENTS:Comprehensive Planning

No comments.

Environmental

The site is not located over the Edwards Aquifer Recharge Zone. The site is located in the Shoal Creek Watershed of the Colorado River Basin, which is classified as an Urban Watershed by Chapter 25-8 of the City's Land Development Code. It is in the Desired Development Zone.

Zoning district impervious cover limits apply in the Urban Watershed classification.

According to floodplain maps there is no floodplain within or adjacent to the project location.

Standard landscaping and tree protection will be required in accordance with LDC 25-2 and 25-8 for all development and/or redevelopment.

At this time, site specific information is unavailable regarding vegetation, areas of steep slope, or other environmental features such as bluffs, springs, canyon rimrock, caves, sinkholes, and wetlands.

This site is required to provide on-site water quality controls (or payment in lieu of) for all development and/or redevelopment when 8,000 s.f. cumulative is exceeded, and on site control for the two-year storm.

At this time, no information has been provided as to whether this property has any preexisting approvals that preempt current water quality or Code requirements.

Fire

No comments.

Parks and Recreation

Parkland dedication will be required for the new applicable uses proposed by this development, multifamily or hotel with DMU zoning, at the time of subdivision or site plan, per City Code § 25-1-601. Whether the requirement shall be met with fees in-lieu or dedicated land will be determined using the criteria in City Code Title 25, Article 14, as amended. Should fees in-lieu be required, those fees shall be used toward park investments in the form of land acquisition and/or park amenities within the surrounding area, per the Parkland Dedication Operating Procedures § 14.3.11 and City Code § 25-1-607 (B)(1) & (2).

If the applicant wishes to discuss parkland dedication requirements in advance of site plan or subdivision applications, please contact this reviewer: thomas.rowlinson@austintexas.gov. At the applicant's request, PARD can provide an early determination of whether fees in-lieu of land will be allowed.

Site Plan

General

A site plan or site plan exemption will be required for any new commercial or multifamily development.

Any new development is subject to the design standards in Subchapter E of the Land Development Code.

Transportation

Assessment of required transportation mitigation, including the potential dedication of right of way and easements and participation in roadway and other multi-modal improvements, will occur at the time of site plan application. The traffic impact analysis for this site is not required, the traffic generated by the proposal does not exceed the thresholds established in the City of Austin Land Development Code. [LDC 25-6-113].

WEST AVE has sufficient right of way to comply with the Austin Strategic Mobility Plan (ASMP). [LDC 25-6-51 and 25-6-55].

W 10TH ST has sufficient right of way to comply with the Austin Strategic Mobility Plan (ASMP). [LDC 25-6-51 and 25-6-55].

Water Utility

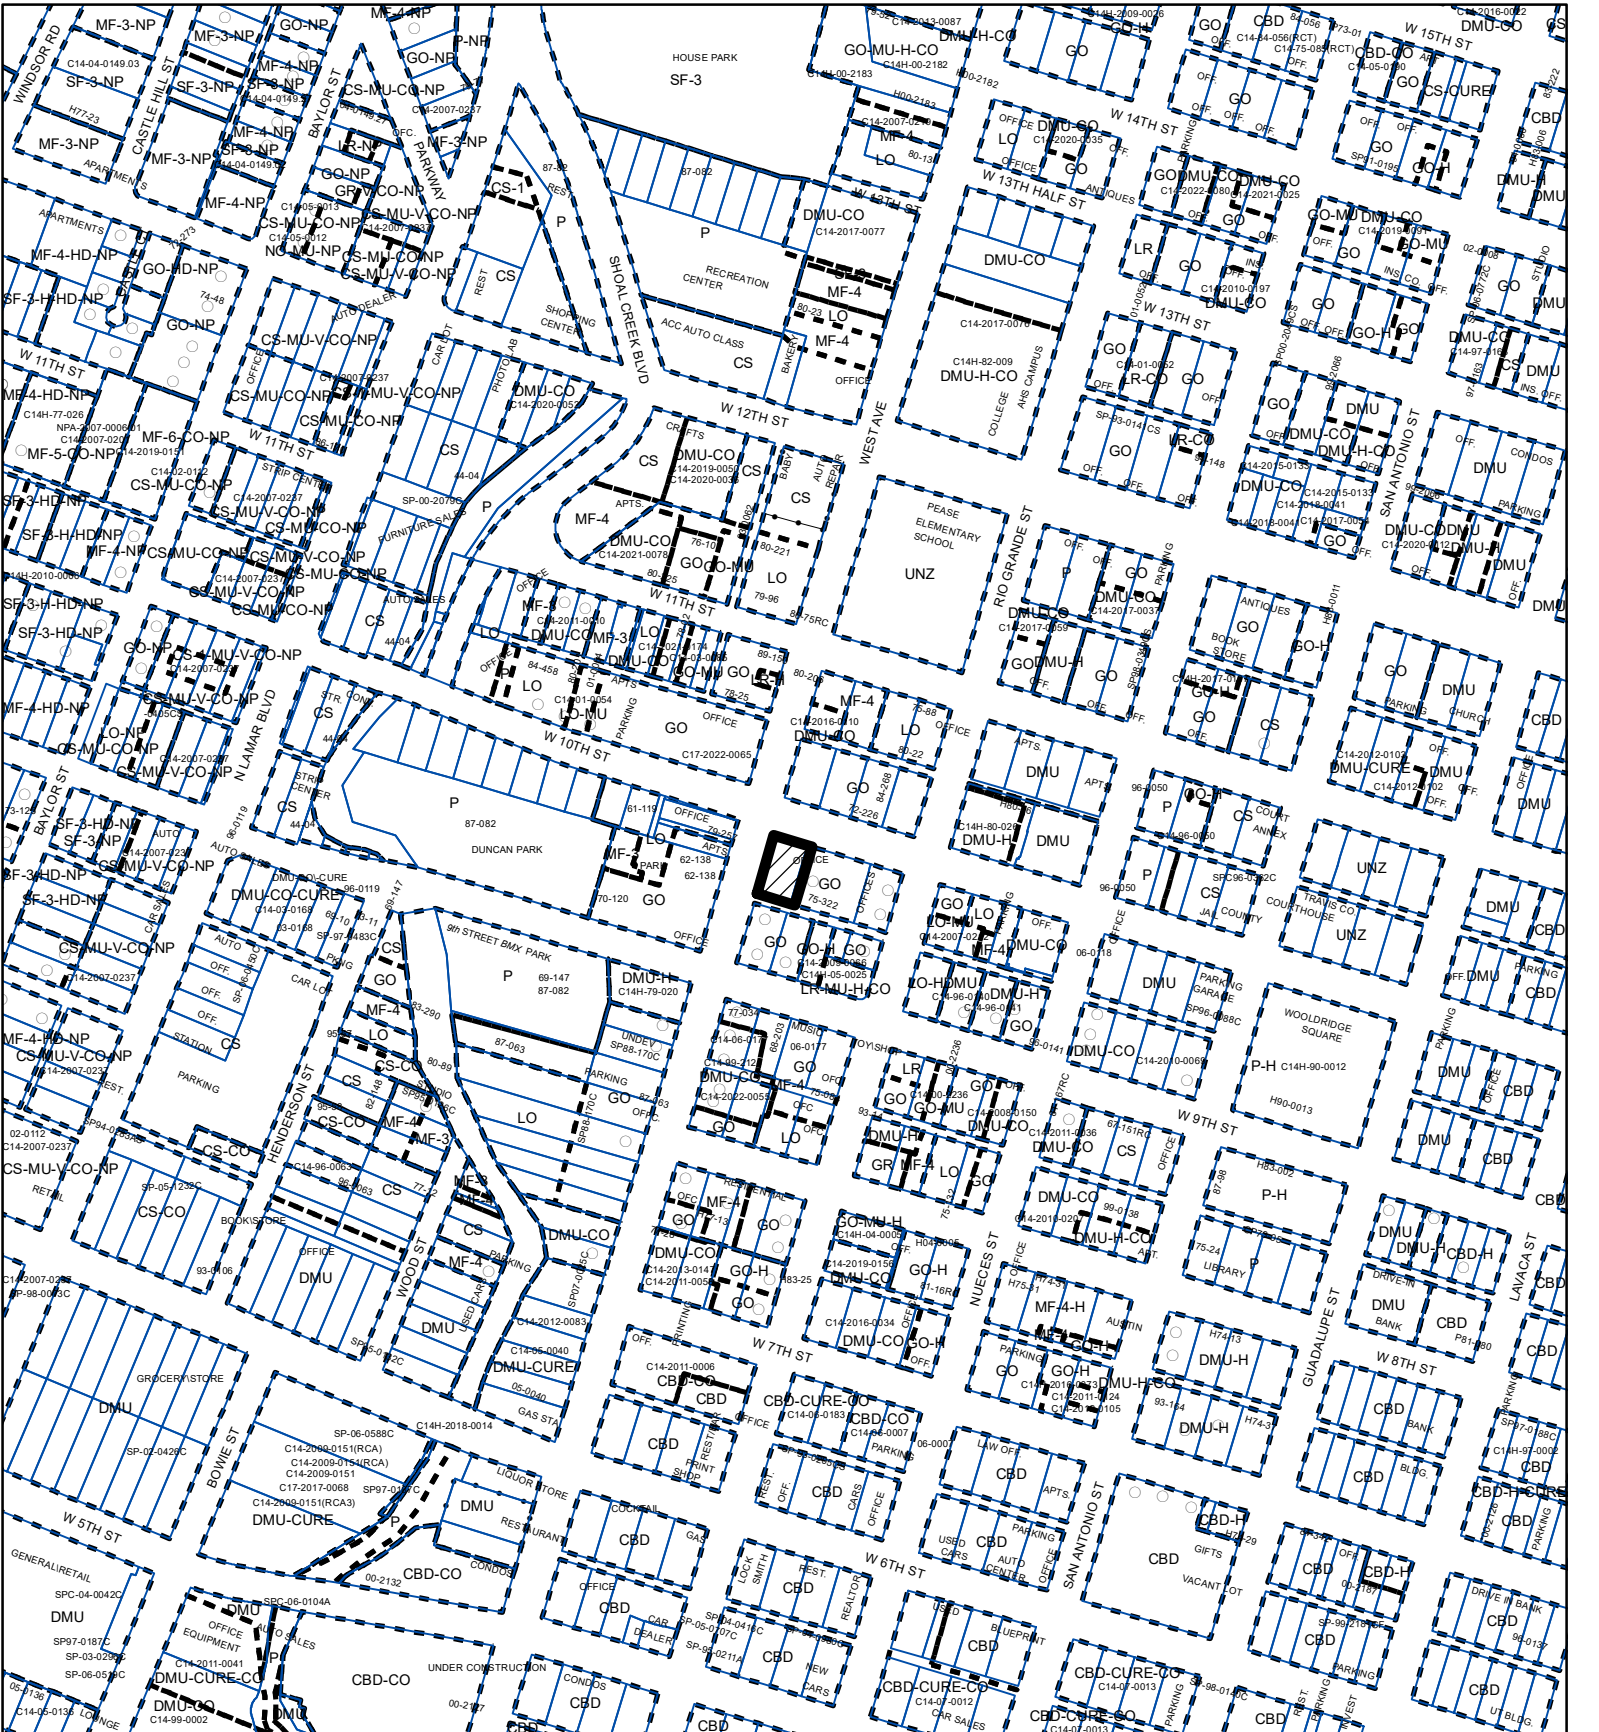

No comments on zoning change.

FYI: The landowner intends to serve the site with existing City of Austin water utilities.

Depending on future development plans submitted, water and or wastewater service extension requests may be required. All water and wastewater construction must be inspected by the City of Austin.

Re: 707 W 10th Street – Rezoning application package for the approximately 0.232-acre portion of the property located at 707 W 10th Street in Austin, Travis County, Texas (the “Property”)

Dear Ms. Truelove:

As representatives of the owner of the Property, we respectfully submit the enclosed rezoning application package. The project is titled 707 W 10th Street, the Property is a 0.232-acre parcel located at the southeast intersection of W 10th Street and West Avenue. The Property is in the full purpose jurisdiction of the City of Austin.

The Property is currently zoned GO (General Office). The requested rezoning is from GO to DMU-CO (Downtown Mixed Use – Conditional Overlay). Currently, the Property is developed with professional office uses and a surface parking lot. The purpose of the rezoning is to allow adaptive reuse of the existing structure and to allow hotel and residential uses. The conditional overlay is proposed to limit the maximum height to 60 feet on the Property. This request is consistent with Downtown Austin Plan proposed zoning change.

The Property is located within the Northwest District of the Downtown Austin Plan. The Downtown Austin Plan does not have a Future Land Use Map (“FLUM”); therefore, the Property does not have a FLUM designation and a Neighborhood Plan Amendment will not be required. The Property is located in a portion of Downtown Austin that is ineligible for participation in the Downtown Density Bonus Program.

A Traffic Impact Analysis (“TIA”) is not required, per the attached TIA determination waiver dated November 10, 2022, and executed by Joan Minyard.

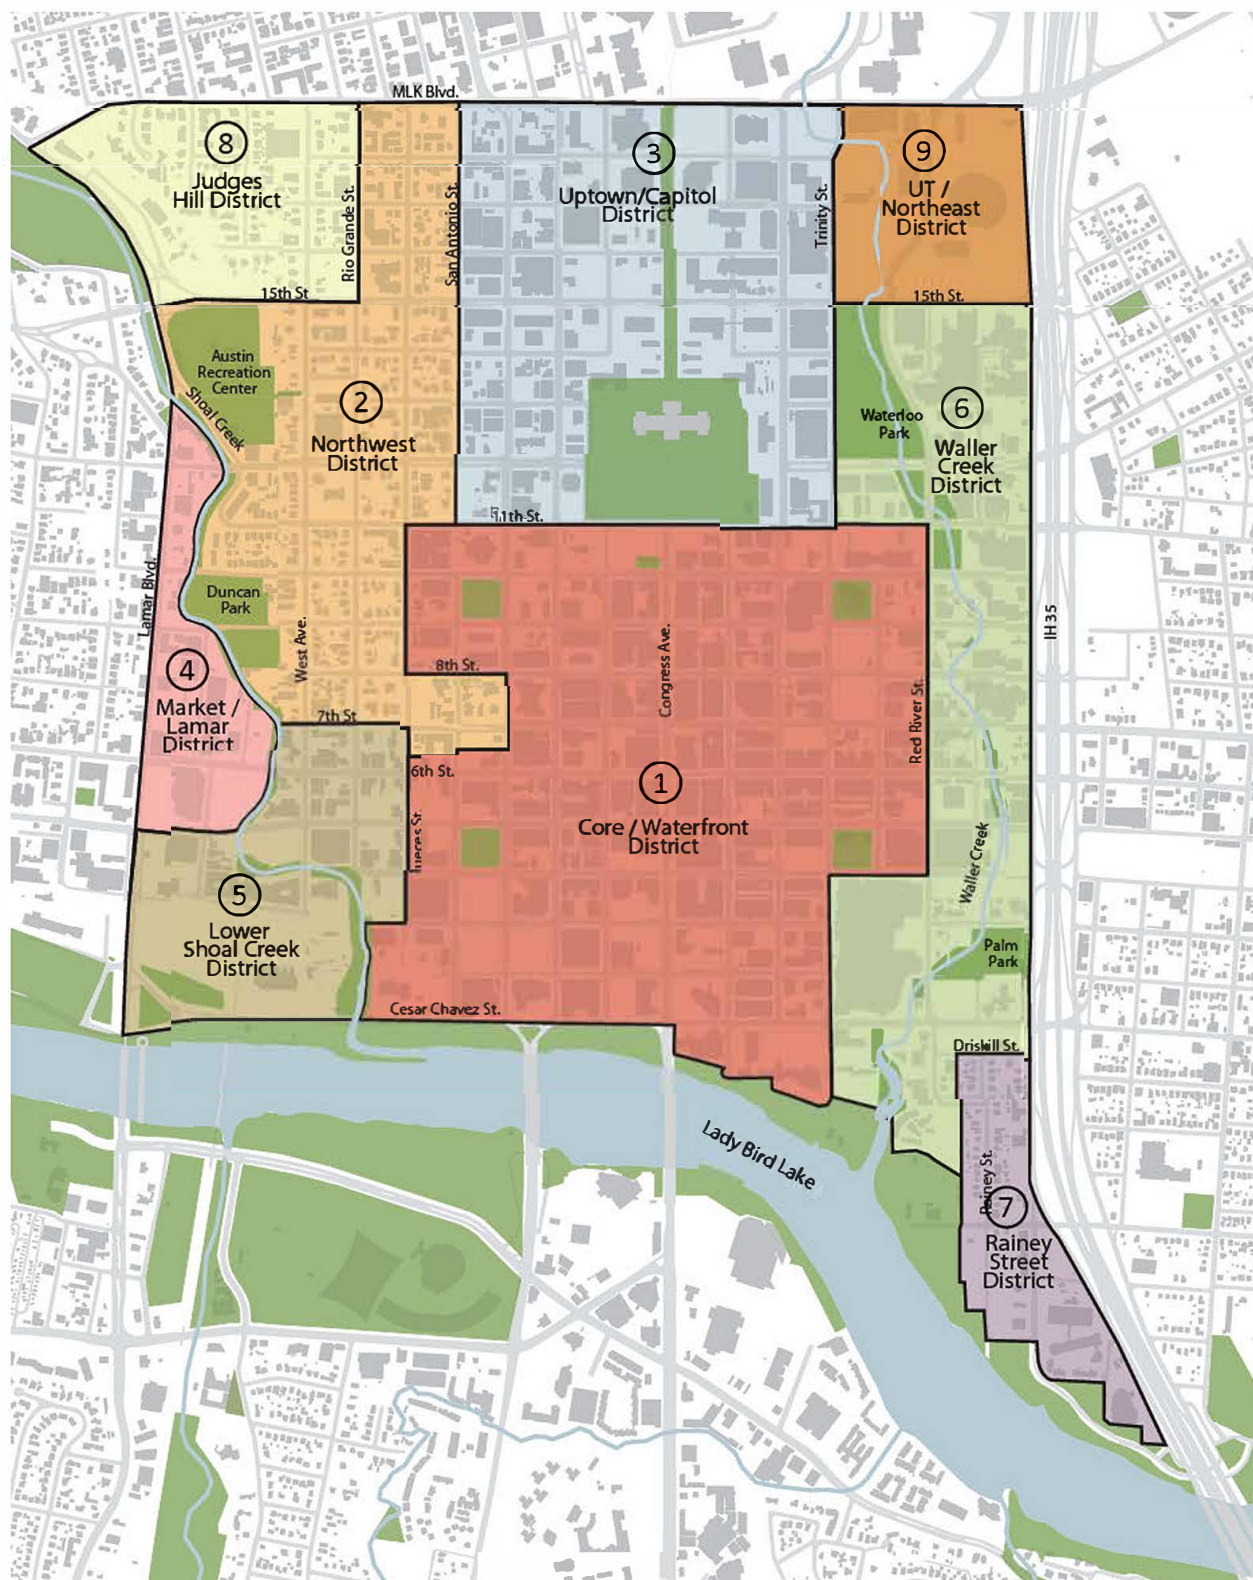

Please let me know if you or your team members require additional information or have any questions. Thank you for your time and attention to this project.

Very Truly Yours,

Amanda Swor

RE: C14-2022-0177; 707 W. 10th Street – **Attn:** Sherri Sirwaitis, Case Manager

Dear City of Austin:

At its regularly scheduled monthly meeting on Tuesday 7 February 2023 the Board of Directors (BoD) of the Old Austin Neighborhood Association (OANA) considered the rezoning request referenced above, and upon a vote of 6-2-1, the BoD respectfully offers our qualified support for the requested change in zoning districts from General Office (GO) to Downtown Mixed Use (DMU).

Our support is predicated on the following conditions:

- The DMU zoning district height entitlement for the property is limited to 60 feet, a height entitlement currently applicable to the property under GO. This limitation reflects guidelines from the Downtown Austin Plan/Northwest District as well as proposed guidelines under the subsequent CodeNext iteration of the Land Development Code.
- That the following permitted/conditional uses available under the DMU zoning district be classified as prohibited uses under the new rezoning: a. Bail bond services; b. Pawn shop; c. Liquor sales; and d. Outdoor entertainment.

There was concern brought up during our discussion of the rezoning centered on the applicant's desire for a stand-alone cocktail lounge use being available to the property once rezoned, a conditional use not normally deemed acceptable by the OANA BoD for this area of our neighborhood, specifically the properties located north of W 7th Street.

We would respectfully ask that if this conditional use is allowed that the use be predicated on the cocktail lounge being no larger than 1,000 square feet and that the applicant agrees to prohibit and not use or seek off-site accessory parking for the uses allowed on the property. We would also ask that the applicant agree to not allow amplified outdoor entertainments, specifically music and/or sounds.

It is our understanding that the applicants for this rezoning request along with their representatives are aware of the conditions outlined above and are in accord with them, and that these conditions will be memorialized in a legally binding agreement between the applicants and OANA.

Sincerely,

Ted Siff, President

DRENNER GROUP

March 27, 2023

Mr. David Gray
Planning Department
City of Austin
1000 E 11th Street
Austin, TX 78702

Via Electronic Delivery

Re: 707 W 10th Street – Rezoning application package for the approximately 0.232-acre portion of the property located at 707 W 10th Street in Austin, Travis County, Texas (the “Property”)

Dear Mr. Gray:

As representatives of the owner of the Property, we respectfully submit this letter to amend the application currently under review assigned zoning case number C14-2022-0177 submitted to the City of Austin on December 2, 2022.

The current rezoning request is from GO (General Office) to DMU-CO (Downtown Mixed Use – Conditional Overlay). The conditional overlay is proposed to limit the maximum height to 60 feet on the Property.

Currently, the Property is developed with a single-family structure that has been occupied with professional office uses and has an associated surface parking lot. The purpose of the rezoning is to allow an adaptive reuse of the existing structure for a mix of uses.

The property owner and I have participated in several conversations with the Old Austin Neighborhood Association regarding the adaptive reuse and potential uses for the Property. As a result of these conversations, the property owner agrees to prohibit and limit the size of certain uses.

Therefore, we are amending the requested rezoning to include additional restrictions within the proposed conditional overlay. The owner proposes the following conditions be included in the conditional overlay:

1. The following uses shall be prohibited uses on the Property:
 - Bail bond services
 - Pawn shop
 - Liquor sales
 - Outdoor entertainment
 - Off-site accessory parking
2. Limit Cocktail Lounge use to a maximum of 1,000 square feet.
3. The maximum height for the Property shall be 60 feet.

PUBLIC HEARING INFORMATION

This zoning/rezoning request will be reviewed and acted upon at two public hearings: before the Land Use Commission and the City Council. Although applicants and/or their agent(s) are expected to participate in a public hearing, you are not required to participate. This meeting will be conducted both online and in-person at which you will have the opportunity to speak FOR or AGAINST the proposed development or change. Contact the case manager for further information on how to participate in the public hearings. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

Staff is conducting a pilot program to receive case-related comments online which can be accessed through this link or QR code:
<https://bit.ly/ATXZoningComment>.

During its public hearing, the board or commission may postpone or continue an application's hearing to a later date or may evaluate the City staff's recommendation and public input forwarding its own recommendation to the City Council. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

During its public hearing, the City Council may grant or deny a zoning request or rezone the land to a less intensive zoning than requested but in no case will it grant a more intensive zoning.

However, in order to allow for mixed use development, the Council may add the MIXED USE (MU) COMBINING DISTRICT to certain commercial districts. The MU Combining District simply allows residential uses in addition to those uses already allowed in the seven commercial zoning districts. As a result, the MU Combining District allows the combination of office, retail, commercial, and residential uses within a single development.

For additional information on the City of Austin's land development process, visit our website: www.austintexas.gov/planning.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before the public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice. Correspondence and information submitted to the City of Austin are subject to the Texas Public Information Act (Chapter 552) and will be published online.
