Commissioners: The Historic Review Committee of the Bryker Woods Neighborhood Association does NOT oppose this project. (By way of information, our Neighborhood Association only votes to “oppose” or “not oppose;” we do not “support.”).

We met with the owners, and discussed the plans they have for a slight remodel of their home. We feel that the exterior remodel to the front porch will not in any way detract from the original, and will actually improve the appearance. We feel that the owners have made an really good faith effort to keep their home in Bryker Woods similar to its original design, for which we are grateful.

Thank you for your consideration and support.
