Subject: Need Name Suggestions THIS WEEK

Importance: High

In case you weren't aware, the City of Austin has agreed to import data from [A Mighty Good Time](#) onto the City's website, which is HUGE.

AND they want a happ'nin name for it where it will also reside on the City's website.

Below are some of the names proposed thus far, but we want to add a few more before we start deciding on one. Let's not decide what we do/don't like yet. But let's get ten of them before we vote. I think once we start voting there'll be some clear ones. Let's get at least three more.

1. Active Aging Austin
2. iGo silver
3. Live Active Austin
4. Seniors on the go
5. Silver connection
6. Silver fun club
7. The Varsity League - Activities for Seniors
- 8.
- 9.
- 10.

Thanks,
