Re: Request for right-of-way (ROW) vacation; .127 acres of existing ROW located along 11403 Wedgewood Dr. (the "Property").

Dear Ms. Lucas:

As representatives of the adjacent owner of the above stated Property we respectfully submit the attached application for ROW vacation (the "Application"). The Property is known as Cloverlawn Drive and was dedicated to the city with the Valley Side Heights subdivision (Travis County Plat, v.7, pg. 31). The Property is currently in the City of Austin full purpose jurisdiction.

The purpose of the application is to allow for a cohesive multifamily residential development. While this application is for Cloverlawn Dr. only, there are two additional applications being submitted concurrently with this application to vacate Bronze Dr. and Silverlawn Dr. to accommodate future development. These ROW's are small stub-outs which have no potential for connection, as the property to the east has been developed as a single-family subdivision which does not provide opposing stub-outs. However, please note, Plaza Drive does have the opportunity for extension to Hickory Grove Drive. The ROW to make this connection will be dedicated with the subsequent subdivision application.

The ROW vacation application requests additional information which is provided below:

1. Is this a residential or commercial project?

Response: commercial.

2. How was the area to be vacated dedicated? By plat or by separate instrument?

Response: By plat (Valley Side Heights subdivision, Travis County Plat, v.7, pg. 31).

3. Did the City purchase the area to be vacated? (i.e., by Street Deed)

Response: No.

4. Are both the area to be vacated and your property in the same "subdivision"? (They must both be in the same subdivision to be eligible.)

Response: Yes.

5. Is the area to be vacated functional right-of-way, or is it only dedicated on paper?

Response: No. The ROW is not improved and on paper only.

6. Are there any utility lines within the area to be vacated? If yes, what are your plans for the utilities?
Applicants should be advised that easements will be retained to protect existing utilities, even if utility relocation is proposed. Also be advised that no structures may be built on, over or under the easements without a license agreement, insurance, and annual fee.
Response: No, there are no utility lines within the area to be vacated.
7. How do you plan to develop the area to be vacated?
Response: residential development.
8. Has a site plan been submitted on your project?
Response: No, however a subdivision is currently in review (C8-2021-0205.0A)
9. Is your project a Unified Development?
Response: No.
10. Is your project a S.M.A.R.T. Housing Project?
Response: No.
11. When do you anticipate starting construction of the development?
Response: Q4 of 2023.
12. What is the current zoning on the adjacent properties?
Response: MF-2.
13. What is the current status of the adjacent properties?
Response: These are platted lots.
14. What type of parking facilities currently exist?
Response: None.
15. Will your parking requirements increase with the expansion?
Response: Yes.
16. How will the increase be handled?
Response: All required parking shall be provided and shall be reviewed and approved with the subsequent site development plan application. .
17. Have any agreements or easements been executed with adjacent landowner(s) or in draft form? If yes, please include this in your letter and provide us with a copy.
Response: No.
18. Does the area to be vacated lie within the Austin Downtown Plan (DAP)? Does it meet DAP criteria?
Response: No.

19. Does the area to be vacated lie within UT boundaries: East of Lamar Boulevard, west of IH-35, north of Martin Luther King Boulevard, and south of 45th Street?

Response: No.

20. Does the proposed vacation support the Priority Programs and policy directives set forth in the Imagine Austin Comprehensive Plan? If so, how?

Response: The ROW vacation application will allow for a cohesive missing-middle housing development which will provide a diversity of housing types in the area. Additionally, the ROW dedication for the extension of Plaza Dr. will contribute to a compact and connected Austin.

If you have any questions about this application for ROW vacation or need additional information, please do not hesitate to contact me at your convenience. Thank you for your time and attention to this project.

Respectfully,

By:
