Sylvia Holt-Rabb, Acting Director, Economic Development Department, 512-974-3131, Margaret Shaw, Economic Redevelopment Program Manager, Economic Development Department 512-974-6497.

Additional Backup Information:

This action will approve an ordinance setting the assessment rate and approving the proposed 2024 assessment roll for the PID. State law requires Council approval of a proposed assessment roll. Approval of the proposed assessment roll is necessary so that notices may be sent to the property owners, giving them an opportunity to review the property valuations prior to the public hearing. All previously approved exemptions and exclusions from assessments are retained in this year's roll. Council requested that this assessment process be timed so that it coincides with the receipt of other real property tax bills.

A related item sets a public hearing on July 20, 2023, to consider the 2024 assessments for the PID. State law requires a public hearing by the Council to consider the assessments. Each property owner has a right to appear at the hearing. Exhibit A of this related item includes the assessment value for each property.

The PID encompasses an area of approximately 605 acres, from I- 35 westward to Nueces and San Antonio Streets, including portions of the Seaholm District. Its boundaries end at 15th Street to the north and extend south of Lady Bird Lake to include portions of the South Central Waterfront area. The PID was initially created by the City Council at the request of property owners on April 15, 1993 to provide ongoing funding for enhanced services and improvements downtown. Most recently, again at property owners' request, Council authorized a revised PID for 10 years on June 9, 2022 with new boundaries. Since its inception, the City has maintained a contract with the Downtown Austin Alliance to manage the PID. Council authorized the most recent management agreement from 2023 to 2028 for more than \$79,000,000 on February 23, 2023.
