Re: 1812 W.11th Street

Dear Ms. Allen,

In recent months I have learned of the plans to make changes to the existing property (relocating the historic home within) and building a new structure at the rear of 1812 W. 11th St. As a neighbor residing at 1100 Toyath St. I have an interest in the appearance and use of nearby properties. I am writing to support the proposed changes. Retaining the historic structure will help preserve the visual character of the neighborhood, which I appreciate, and the proposed new modern home in the rear is in keeping with current styles and sensibilities. These changes will improve the appearance of the property and be an asset to the neighborhood.

Sincerely,
Amy Carrier
