Re: 1812 W.11th Street

Dear Ms Allen,

I live at the corner of the 11th Street and Toyath which is a few houses down from 1812 W. 11th St. I've learned of the proposed renovation/relocation of the existing home and the new construction towards the rear of the property. I'm in full support of this proposed plan. They have done a really nice job of protecting the character of the historic neighborhood.

Sincerely

Christopher Carrier
