WHEREAS, Travis County has identified the Travis County Supportive Housing Collaborative for support using American Rescue Plan Act (ARPA) funds and the supportive housing units are critical to achieving the community goals to address homelessness set out by Finding Home ATX; and

WHEREAS, there exists in the City of Austin a shortage of safe and sanitary housing available to lower income residents at rents they can afford; and

WHEREAS, the Housing Authority of Travis County, a Texas county housing authority (“HATC”) has experience in providing, developing, financing, and managing housing projects that are affordable to lower income residents; and

WHEREAS, Texas Local Government Code, Section 392.017(a) requires a county housing authority to secure resolutions and agreements from the governing body of a municipality and the housing authority authorized to exercise its powers exclusively in the municipality; and

26 **WHEREAS**, HATC is partnering with other entities and proposes to
27 develop housing at three sites within the City; and

28 **WHEREAS**, one proposed development will be located at 6314-6400 FM

42 The Council declares a need for HATC to exercise its powers at the FM 969
