

MEMORANDUM

TO: Mayor and Council Members

FROM: Richard Mendoza, P.E., Interim Director, Transportation and Public Works Department

THROUGH: Robert Goode, Interim Assistant City Manager

DATE: July 11, 2023

SUBJECT: **July 20, 2023 – Postponement of Item 150**

Transportation and Public Works Department staff will be requesting a postponement of item 150 from the July 20, 2023, Council agenda.

Over the last two years the Transportation and Public Works Department has been developing updated sidewalk, urban trails, and bicycle plans through an effort called ATX Walk Bike Roll. These three plans will guide how we build urban trails, sidewalks, crossings, and bike lanes. In January 2023, draft plans were released for public comment in advance of going through the Council adoption process. The plans will be adopted as attachments to the Austin Strategic Mobility Plan (ASMP), amending the Imagine Austin Comprehensive Plan.

Per City Charter, amendments to the Imagine Austin Comprehensive Plan are required to be heard by the Planning Commission before a Public Hearing can be held at City Council. The Planning Commission was scheduled to take action on the plans and amendments to the ASMP on June 27, 2023, but the action has been postponed July 11, 2023. Due to the postponement, the Public Hearing at Council, previously scheduled for July 20, 2023, will need to be rescheduled to September 14, 2023.
