

C20-2021-001  
UNO Sign Correction

Codes and Ordinances Joint Committee

July 19, 2023

# C20 – 2021 – 001 – UNO Sign Correction

---

- UNO adopted in 2004
- Last amendment in November 2019 and addressed
  - Permitted uses
  - Building heights and design
  - Parking
  - Signs

# C20 – 2021 – 001 – UNO Sign Correction

---

- Original UNO ordinance prohibited signs above the 2<sup>nd</sup> must be embossed or engraved – did not adhere to industry standards
- Provision led to multiple BOA hearings which were all approved
- 2019 amendments sought to remove this provision The prohibition on illuminated signs was intended to be removed, but wasn't
- Caused issues in UNO *and* the TODs
- Planning Commission initiated the amendment in 2020
