

Recommendation for Action

File #: 23-2436, **Agenda Item #:** 195.

7/20/2023

Posting Language

Approve a resolution related to amendments to Title 25 (Land Development Code) that are indirectly connected to City Council-initiated Code amendments.

Lead Department

Housing and Planning Committee.

Council Committee, Boards and Commission Action:

June 20, 2023 - Housing and Planning Committee vote 4-0 to send the item to the full Council.

Additional Backup Information:

At the committee meeting, Council Member Ryan Alter made a motion recommending that: (1) City Council should authorize the City Manager to propose indirectly related amendments to Title 25 (Land Development Code) when responding to City Council-approved resolutions that initiate amendments to the Land Development Code and (2) when a resolution initiates multiple amendments to the Land Development, City Council should support the City Manager's efforts to bring forward a portion of requested changes before completing all of the changes, which will allow things to keep moving.
