

BOARD/COMMISSION RECOMMENDATION

Commission on Veteran Affairs

Recommendation Number: (20230719-007): Commission on Veteran Affairs to have a consultative position for all future Veterans Day Parade Ceremonies

WHEREAS, there are a significant number of veterans and supporters of veterans that reside in and near the Austin city limits, and historically for the last few year the Veterans Day Parade and associate ceremonies have not provided the recognition to those citizens that is subsequently deserved; and

WHEREAS, there is no coordination between the veteran community and the organization in charge of planning and organizing the city's Veterans Day Parade and associated ceremonies;

NOW, THEREFORE, BE IT RESOLVED that the Commission on Veteran Affairs encourages the Austin City Council to explore all available means in order to ensure that the commission has input and potential oversight over any organization chosen/selected to organize and run the Veterans Day Parade for the City of Austin.
