

Volunteers Needed!

Austin Public Health, in partnership with Aging is Cool, will participate in an AARP Community Challenge Project involving two Walkability Audits in the Austin community.

We hope that through this assessment we will identify barriers and safety issues that may impede safe food access for older adults and those with disabilities.

Walk Audit Dates:

- Tuesday, October 3rd, 2023, 10:30 am - 11:30 am - Walk Audit at Pleasant Valley and East Riverside Dr.
- Thursday, October 5th, 2023, 10:30 am - 11:30 am - Walk Audit at South Congress and Oltorf

12 pm - 1 pm - A brief meeting and **FREE LUNCH** at a nearby location (TBD) to discuss audit findings.

Message Nicole Howe, Age-Friendly Austin Program Coordinator at nicole.howe@austintexas.gov for more information.
