Additional Backup Information:

AIPP of the Cultural Arts Division, Economic Development Department (EDD), sought to commission local professional visual artist to design, fabricate and install artwork for the Beverly S. Sheffield Neighborhood Park Pool AIPP Project. The budget for this artwork is \$100,000 all-inclusive of artist time, design, insurance, and all fabrication and installation-related costs.

The goal of the project is to commission an Austin-based artist and/or artist team who, in collaboration with City staff and community stakeholders, will design artwork that integrates with the new Beverly S. Sheffield Park Pool site. The artwork should also be consistent with and mindful of the values of the nearby Montopolis community.

On September 27, 2022, a Request for Qualifications opened to eligible visual artists and artist teams over 18 years of age who live and/or work in Bastrop, Blanco, Burnet, Caldwell, Hays, Travis, and Williamson counties. Artist outreach included an in-person artist information meeting held on October 11, 2022, later available online, information posted on the AIPP website, announcements in AIPP and Cultural Arts Division newsletters and on social media, direct emails to past applicants, and arts and cultural City leaders as well as both public and private arts and culture organizations.

On March 21, 2023, the jury reviewed 46 applications and recommended Sun McColgin as the recommended artist and Ilya Pieper and Nathan Kandus as the recommended alternate artist team.
