No indirect costs are available with this award. For disasters declared prior to August 1, 2017, Direct Administrative Costs are allowable as outlined in the project scope. Management costs are allowable under a separate award for disasters declared on or after August 1, 2017.¹¹

A copy of the approved scope of work can be viewed at the version tab in GMS for this project at [Grants.tdem.texas.gov](https://grants.tdem.texas.gov) and is also attached for your convenience. If your project contains 406 Mitigation Proposal, it will also be attached and available at the version tab.

Your project worksheet may or may not have environmental and historical considerations and conditions that must be met. A copy of the Record of the Environment Consideration (REC) can be viewed at the version tab in GMS for this project as well.

The terms and conditions remain in effect as outlined in the original Grant Terms and Conditions, and any subsequent State amendments.

It is important that the Subrecipient read, understand, and comply with the scope of work and all terms and conditions. It is also vital that this information be disseminated to Subrecipient's staff and contractors that are involved in work related to administrative support or administration of the subgrant.

If changes are needed to the scope of the subaward, period of performance or costs associated to the subaward, the Subrecipient should immediately contact TDEM. No change will be considered made to the subaward until the Subrecipient is notified in writing by TDEM.

Should you wish to appeal any determination related to this project you must do so within 60 days of receipt of the notice of the action. If you elect to appeal, please submit your appeal with any documentation supporting your position directly to TDEM via the Grants Management System at <https://grants.tdem.texas.gov> within the allotted time.
