

Amendment 1 - Page 56 of report:

The City is prepared to take action to begin to address the key findings and challenges found at the year 10 mark:

- affordability, ~~and~~ cost of living, **and inequitable distribution of housing**

Amendment 2 - Page 57 report:

Beyond coordinating next steps with Priority Program Champions, the Imagine Austin Team's first order priority is to conduct an update of IA, complete with (at minimum): ...

- iv. Updated content to Imagine Austin based on affordability, resiliency, sustainability, **access to high opportunity areas**, an equity assessment and (internal and external) best planning practices.
