

**HISPANIC/LATINO QUALITY-OF-LIFE RESOURCE ADVISORY COMMISSION  
RECOMMENDATION 20230822-004:  
MEDICAL RESPITE, STREET MEDICINE, & APD**

Date: August 22, 2023

Subject: Medical Respite, Street Medicine, and the Austin Police Department (APD)

Motioned by: Commissioner Daniela Silva      Seconded by: Commissioner Jesus Perales

---

**WHEREAS**, homelessness causes health problems and limits healing and recuperation, especially after an acute illness;

**WHEREAS**, Central Health is providing health care to individuals experiencing unsheltered homelessness through their Medical Respite program;

**WHEREAS**, Medical Respite program gives individuals experiencing homelessness a place to rest and recover from an acute illness;

**WHEREAS**, currently there are 7 male beds and 4 female beds at A New Entry, as well as 10-15 male beds at the ARCH;

**WHEREAS**, medical respite beds for individuals from acute care facilities prompt healing and recuperation, and is an opportunity to break the cycle of homelessness and readmissions;

**WHEREAS**, individuals experiencing homelessness encounter barriers to healthcare which reduces life expectancy;

**WHEREAS**, the CommUnity Care Street Medicine Team helps individuals experiencing homelessness access necessary healthcare services;

**WHEREAS**, the CommUnity Care Street Medicine Team is the only street medical team in Travis County in the field providing primary medical care to unsheltered houseless people;

**WHEREAS**, the CommUnity Care Street Medicine Team often find themselves sharing a common geographical area with law enforcement;

**WHEREAS**, the CommUnity Care Street Medicine Team have witnessed the negative impacts of involuntary displacements caused by the sweeps and the negative effects on the health of people experiencing unsheltered homelessness;

**WHEREAS**, individuals experiencing unsheltered homelessness are not allowed to retrieve items during law enforcement sweeps and are involuntary displaced;

**WHEREAS**, the sweeps cause disruption of healthcare and social network, loss of contact with outreach, increased incarceration, negative impacts on trust, and loss of medication, documents, phones, and belongings;

**NOW, THEREFORE, BE IT RESOLVED** that the Hispanic/Latino Quality of Life Resource Advisory Commission recommends the Austin City Council to allocate funds and explore all available resources in order to accommodate more beds with an emphasis on increasing beds for women and beds that accommodate pets;

**NOW, THEREFORE, BE IT FURTHER RESOLVED** that the Hispanic/Latino Quality of Life Resource Advisory Commission recommends Austin City Council to direct Austin Police Department work and coordinate directly with the Street Medicine Team to establish a protocol so that they can complete their health checks, case work and visits if their arrival intersects with APD sweep activities.
