Dear Landmark Commission,

I own a home at 721 Sparks Avenue and wish to ask that you intervene regarding the demolition proposed for the Spanish Revival architectural style of the home (1937) at 701 Sparks Ave 78705.

I support the recent letter written by Lin Team detailing clusters of historic Spanish Revival architecture in the neighborhood. We would hope that the home at 701 Sparks Avenue be preserved, as representation of the rich ethnic history of Austin's past.

Please postpone your decision on Sept 6 regarding this upcoming demolition proposal. We hope that, when given enough time to review its historical significance, you will protect the structure.

Sincerely,
Robyn Turner
721 Sparks Ave
