

MEMORANDUM

TO: Mayor and Council Members

FROM: Richard Mendoza, P.E., Interim Director, Austin Transportation Department

THROUGH: Robert Goode, P.E., Interim Assistant City Manager

DATE: September 1, 2023

SUBJECT: **September 14, 2023 – Postponement of Item 95**

The Transportation and Public Works Department will be postponing item 95 from the September 14, 2023, Council meeting to the October 5, 2023, Council meeting.

Over the last two years the Transportation and Public Works Department has been developing updated sidewalk, urban trails, and bicycle plans through an effort called ATX Walk Bike Roll. These three plans will guide how we build sidewalks, crossings, urban trails, and bike lanes. In January 2023, draft plans were released for public comment in advance of going through the Council adoption process. Revised plans were published in June of 2023 and the Planning Commission made recommendations and proposed amendments at their July 25, 2023, meeting. Additional time is needed to complete a thorough review and response to those amendments.
