

Recommendation for Action

File #: 23-2691, **Agenda Item #:** 12.

9/21/2023

Posting Language

Authorize negotiation and execution of agreements with several federal, state, and local agencies authorizing the City to perform communication equipment installations, maintenance and repair services, and consultations with the agencies on a reimbursement basis.

Lead Department

Communications and Technology Management

Fiscal Note

Each entity listed below would reimburse the City of Austin for services provided and for parts used for communication equipment installations, repairs, and maintenance. Revenue to the City of Austin is projected to be an estimated \$5,000 annually per entity.

Prior Council Action:

The City of Austin has executed numerous interlocal agreements of this type over the past 27 years with other government entities in Austin and elsewhere in Texas for communication equipment services and parts.

For More Information:

Inquiries should be directed to Pushpa Srinivasa, CTM-Wireless Communication Services Division Manager, (512) 972-3209, pushpa.srinivasa@austintexas.gov.

Additional Backup Information:

As the managing partner and program manager for the Greater Austin/Travis County Regional Radio System (GATRRS), City of Austin - Communications and Technology Management (CTM)-Wireless Communication Services Division has the expertise to provide radio communication equipment consultations, installations, maintenance, and repairs for all City of Austin radio- using departments. These interlocal agreements will allow the City of Austin CTM-Wireless Communication Services Division to provide those same services to the listed governments below on a reimbursement basis. This ensures that the communication equipment utilized by these entities will be installed, maintained, and repaired in a manner consistent with required GATRRS voice and data radio equipment standards.
