

## **CM FUENTES' MOTION SHEET**

### **Item No. 101**

#### **Council Direction to City Manager:**

The City Manager is directed to provide regular updates and community engagement on progress of projects under the Austin-Bergstrom International Airport Master Development Plan and any proposed changes to the ordinance. At minimum, the City Manager shall provide semiannual updates to the City Council, Environment Commission, Airport Advisory Board, and Planning Commission. Community engagement opportunities shall be multilingual, accessible, focused on neighborhoods, and in collaboration with neighborhood groups surrounding the airport.
