

Motion Sheet

I move to amend the resolution for item 102 beginning at line 57 as follows:

WHEREAS, Council has previously adopted a Brush Square Master Plan that includes the repurposing of Fire Station #1 as well as Resolution No. 20220915-054 regarding analysis of the Castleman-Bull house; and

WHEREAS, the City's strategic facilities plan currently calls for the relocation of Police Headquarters and Council has adopted Amendment No. 2 to the TIRZ 17 Project Plan regarding Waller Creek and adjacent property; and

And at line 86 as follows:

BE IT FURTHER RESOLVED:

The City Manager is directed to:

- Develop plans for public safety infrastructure, including, but not limited to, the relocation of operations of Austin Fire Station #1 and Emergency Medical Services Station # 6, as well as provide for downtown command and staging facilities for the Austin Police Department.
- As part of the Austin Core Transportation Plan, develop plans for pedestrian connectivity across East Cesar Chavez to allow for safe access to and from the Rainey Neighborhood, Street Reconstruction of East 6th Street including broader sidewalks.
- Explore expansion of chilled water loops and other shared utility infrastructure to enable the development of an eco-district.
- Provide an opportunity for groups including, but not limited to, the Waller Creek Local Government Corporation, Arts Commission, Music Commission, Parks Board, and Downtown Commission, as appropriate, to review and make recommendations for ground floor uses of future Public-Private developments on city owned land within the district.
- Develop plans for the location and proposed uses for the Castleman-Bull house.
