American Medical Response has held a franchise with the City of Austin since December 1996.

On February 13, 2023 Austin-Travis County EMS (ATCEMS) received an application from American Medical Response of Texas, Inc. requesting a renewal of the franchise for another five-year term. All the required elements have been submitted and the application fee has been paid in full.

In order for a private ambulance company to provide non-emergency transfer services within the limits of the City of Austin, the provider must hold a franchise from the City. Non-emergency transfers typically occur between skilled nursing facilities, hospitals, and private residences and are usually prescheduled by medical

personnel. Currently, four companies hold such franchises, Acadian Ambulance Service, Inc. (Acadian), American Medical Response of Texas Inc. (AMR), Allegiance Ambulance and City Ambulance and City Ambulance.

The public hearing for this was held and closed on August 31, 2023.
