MEDICAL TRANSFER SERVICE has the meaning prescribed in Chapter 10-2 of the City Code.

PUBLIC RIGHT- OF- WAY means the surface of a public street, highway, lane, path, alley, sidewalk, boulevard, drive, bridge, tunnel, easement or similar property in which the City holds a property interest or exercises rights of management or control and which, consistent with the purposes for which it was acquired or dedicated, may be used for the operation of a medical transfer service.

PART 3. GRANT OF A FRANCHISE.

The Council grants to Allegiance ("Grantee") the nonexclusive right and privilege to operate a medical transfer service on the public right of way of the City subject to this Part:

- (A) If Grantee accepts this Franchise, it shall, not later than 20 days after the adoption of this ordinance, file with the City Clerk a letter acknowledging and accepting the provisions of this Franchise, and agreeing to be bound by the terms of this Franchise.
- (B) The Grantee shall execute or cause to be executed all legal documents, insurance certificates, and performance bonds required by the City. The documents are subject to review and approval by the City Attorney.
- (C) The term of this Franchise begins on December 5, 2023, and expires on the fifth anniversary of that date unless terminated in accordance with this Franchise.
- (D) A reference in this Franchise to a Public Right-of-Way is not a representation or guarantee by the City that its interests or other rights in property are sufficient to permit its use for the operation of a medical transfer service and the Grantee will gain only those rights which the City has the right and power to give.
