

MEMORANDUM

TO: Mayor and Council Members

FROM: Richard Mendoza, P.E., Interim Director, Austin Transportation Department

THROUGH: Robert Goode, P.E., Interim Assistant City Manager

DATE: September 22, 2023

SUBJECT: **October 5, 2023 – Postponement of Item 32**

The Transportation and Public Works Department will be postponing item 32 from the October 5, 2023, Council agenda to the November 30, 2023, meeting agenda.

Over the last two years the Transportation and Public Works Department has been developing updated sidewalk, urban trails, and bicycle plans through an effort called ATX Walk Bike Roll. In January 2023, draft plans were released for public comment in advance of going through Boards and Commissions and the Council adoption process. Revised plans were published in June of 2023 and the Planning Commission made recommendations and proposed amendments at their July 25, 2023, meeting.

Over the course of the Boards and Commissions process, there were a considerable number of recommendations that were made on the draft plans. Review of these amendments is ongoing and additional time is needed to produce the final drafts for Council consideration.
