### **Budget Assumptions**

Information for the APMD Budgeting documents as it relates to the Austin Public Library Master Planning. (In coordination with APLs G4 Consultants)

- CMAR Services:
- Land Acquisition: included \$40/SF for land purchase with a 10,000 SF add on top of each 'model' for parking. (approx.. 50 spaces.)
- Furniture: \$40/SF, this was based off previous projects
- Escalation/Years: COA Estimate shows 4 years of escalation @ +/-4% per year
