To the members of Historic Landmark Commission,

Please accept this letter of support for the total demolition of the improvements at 3900 Becker Ave (PR-2023-112741).

My husband and I live within 500 feet of the property at 3909 Becker Ave, and are proud owners of a 1938 house. We have great interest and respect for the original structures and the oral histories of our small neighborhood.

We have noticed the extremely poor condition of the property at 3900 Becker; it is in an unfortunate shape. We have concerns for the safety threats it presents to our street, and have made reports to 311 in the past. From our perspective, the demolition of this house would be an improvement to the physical and social character of our neighborhood.

Thank you,
- Victoria and Clayton Holmes
